

Operation Vets Home Steering Committee

Meeting Agenda, 4/16/18

- 1. Announcements & Updates (5 min)**
- 2. Data and Projections (25 min)**
 - a. Data Dashboard
 - i. Request: More information about how many chronically homeless veterans and veterans on the VASH Interest List have been assessed.
 - b. Assessment and Prioritization Data
 - i. Veterans are scoring lower than the general population. The Committee notes that this could be because veterans generally have lower vulnerability due to VA benefits and healthcare, as compared to the overall population. It is also possible that the highest need veterans have not been reached for assessment.
 - ii. The proportion of chronically homeless veterans that have been assessed slightly higher than the overall proportion of veterans that have been assessed.
 - c. New projections using the 125 VASH vouchers
- 3. Service Coordination Meetings (30 min)**
 - a. Coordination with HRC Outreach
 - i. Decision: SSVF Outreach will not be divided up by jurisdictions. The committee wanted veterans to be connected with a warm hand off ASAP, no matter the agency.
 - b. Focusing on in-depth case conferencing rather than simple updates
 - i. Postponed to future meeting (5/7)
 - c. Procedure for data updates for meetings
