Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

**Name of Authorized Certifying Official:** Terrie Light

**Date:** 08/25/2016

**Title:** Executive Director

**Applicant Organization:** Berkeley Food and Housing Project

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?
   Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?
   No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?
   Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?
   No
3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0106L9T021508
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Oakland Homeless Youth Housing Collaborative
4. Project Status: Standard

5. Component Type: TH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Provide a description that addresses the entire scope of the proposed project.

The Oakland Homeless Youth Housing Collaborative (OHYHC) is comprised of three organizations: Covenant House of California, East Oakland Community Project and First Place for Youth. These three (3) non-profit youth and/or homeless serving agencies serve homeless transition-aged youth in this TH project. Youth are provided with case management, money management, financial literacy, life skills training, employment assistance, educational and vocational support, and housing placement assistance. In addition, according to their individual needs, youth receive mental health or substance abuse counseling.

2. Does your project have a specific population focus? Yes

2a. Please identify the specific population focus. (Select ALL that apply)

## 4A. Supportive Services for Participants

**Instructions:**

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- **Provider:** select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- **Frequency:** Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

### 5A. Project Participants - Households

**Instructions:**

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

**Households:** Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

**Households with at least One Adult and One Child:** Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

**Adult Households without Children:** Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

**Households with Only Children:** Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Characteristics:** Enter the total number of homeless that fall under one of the characteristics listed.

**Persons in Households with at least One Adult and One Child:** Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

**Adult Persons in Households without Children:** Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

**Persons in Households with Only Children:** Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

5B. Project Participants - Subpopulations

Instructions:
ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Leased Structure(s) Budget Detail

Instructions:

Complete the following fields related to the funds being requested to lease one or more structures for operating the project.

Structure Name: This is a required field. Indicate the name of the structure for which funds are requested.

Address: Only 1 “Street Address…” field is required. Enter the actual street number and name in the first field. Do not list a PO Box or other mailing address. Use the second field for apartment or subsection numbers. Complete fields for City, State and Zip Code.

HUD Paid Rent (Annual): This is a required field. Enter the annual leasing amount. The amount entered cannot exceed the annual rent for comparable structures.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field will equal the total leasing amount entered above.

All total fields will be calculated once the required field has been completed and saved.

6E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2016 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Grant term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

Sources of Match Detail

Instructions:
Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the “Save” button.

### Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

**Name of Authorized Certifying Official:** Sara Bedford

**Date:** 08/25/2016

**Title:** Director - Department of Human Services

Dear Sir or Madam:

This is in response to your request of December 17, 2004, regarding your organization's tax-exempt status.

In November 1991 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records indicate that your organization is also classified as a public charity under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca, Director, TE/GE
Customer Account Services
Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantees and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization:

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

[Signature]

Richard R. Orosco
District Director
Dear Sir or Madam:

This is in response to your request of November 30, 2007, regarding your tax-exempt status. We have updated our records to reflect the name change from THE FIRST PLACE FUND FOR YOUTH to FIRST PLACE FOR YOUTH.

Our records indicate that a determination letter was issued in June 2006 that recognized you as exempt from Federal income tax, and reflect that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

[Signature]

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snapsguides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

The authorized person for the project applicant organization must agree to the declaration statement in order to proceed to the project application. The list of certifications and assurances are contained in the FY 2016 CoC Program NOFA, and in the e-snaps Project Applicant Profile.

Authorized Representative: The authorized representative’s information is pre-populated on this screen from the Project Applicant Profile. A copy of the governing body’s authorization for this person to sign the project application as the official representative must be on file in the applicant’s office.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

All screens, 1A – 1F must be completed in full before the project applicant will have access to the Project Application in e-snaps.

By signing and submitting this application, I certify (1) to the statements contained in the list of certifications** and (2) that the statements herein are true, complete, and accurate to the best of my knowledge. I also provide the required assurances** and agree to comply with any resulting terms if I accept an award. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties. (U.S. Code, Title 218, Section 1001)

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

3A. Project Detail

Instructions:

The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0953L9T021504
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Oakland PATH Re-Housing Initiative
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type pf SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

The OPRI-SHP program is a Housing First program that provides permanent housing combined with comprehensive social services for people with the greatest needs: disabled households living in shelters in Oakland and chronically homeless individuals living in Oakland encampments. OPRI-SHP serves 25 households through a scattered-site leasing model. Success is measured by permanent housing stability, as well as increased self-sufficiency (increased/maintained income and access to essential services and mainstream resources). In the most recent operating year, 92% of participants remained permanently housed and 82% of adults maintained or increased their income.

For housing stability, our Housing Specialist works closely with each family to identify appropriate housing that they can maintain permanently. In addition to locating housing and developing housing plans, the Housing Specialist conducts HQS inspections, educates participants about their tenant rights and responsibilities, and assists participants to secure in-kind donations of furniture and other household items for their new homes. Once participants are housed, the Housing Specialist provides regular coaching to help them stay on track with their household budget, with an emphasis on paying rent and utilities on time, and maintaining a safe and healthy home. They also maintains positive landlord relations, intervening as needed if problems arise with an OPRI-SHP tenant.
Our Service Coordinator is responsible for connecting participants to available community services to help them maintain their housing and achieve greater self-sufficiency. These services include, but are not limited to:
- Primary and mental healthcare services including drug and alcohol recovery groups, psychological counseling, and free prescription medications
- Job-seeking assistance, such as resume development, job search tools, interview skills training, and work appearance
- Job training and employment services
- Financial literacy training and credit counseling
- Childcare and children’s services
- Other mainstream benefits, including income, food stamps, and other resources for which participants are eligible.

This program is part of a Citywide collaborative, which includes shelter providers in Oakland (EOCP, St. Mary's, and Building Futures), outreach providers (Operation Dignity), and clinical service providers (County Behavioral Health Care and LifeLong Medical), the City of Oakland, and the Oakland Housing Authority.

4A. Supportive Services for Participants

Instructions:
ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

### Instructions:

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? No
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? Yes

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? Yes

   Indirect cost rate proposals should be submitted as soon as the applicant is notified of a conditional award. Conditional award recipients will be asked to submit the proposal rate during the e-snaps post-award process.

   Applicants with an approved indirect cost rate must submit a copy of the approval with this application.

   a. Please complete the indirect cost rate schedule below:

Instructions:

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rent for each unit in the FMR Area column in the chart below. The FMRs are available online at http://www.huduser.org/portal/datasets/fmr.html.

Size of Units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) entered must match the HUD approved FY 2016 GIW.

Total Units and Annual Assistance Requested: This is a required field. Enter in the total leased units amount according to the CoC’s HUD approved FY 2016 GIW.

Grant Term: This field is populated with “1 Year” and will be read only.

Total Request for Grant Term: This field will equal the total leasing amount entered above.

All total fields will be calculated once the required field has been completed and saved.

6E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Sources of Match Detail

Instructions:
Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g., HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6I. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

Additional for Rental Assistance Projects:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section’s nondiscrimination requirements within the designated population.

B. For non-Rental Assistance Projects Only.

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

C. Explanation.

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

Due to the method that HUD uses to calculate the award amount for rental assistance projects, programs are awarded an amount that exceeds the amount needed to subsidize the contracted number of units. Consequently, rental assistance projects are funded at a level that results in unspent funds even though the project has been fully leased. In order to minimize unspent funds and maximize the number of households served, the City of Berkeley does over-lease (generally this project is 130% over-leased). Being a sponsor-based grant, however, the number of additional units available for over-leasing is limited. In addition, rental assistance projects must maintain a prudent reserve of funds in the grant to adjust for annual fluctuations in the award amounts based on changing FMR's.
3A. Project Detail

**Instructions:**

The selections made on this screen will determine which additional forms will need to be completed for this project application.

**Expiring Grant Number:** This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

**CoC Number and Name:** Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

**CoC Collaborative Applicant Name:** Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

**Project Name:** This is pre-populated from the “Project” Form and cannot be edited.

**Project Status:** The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

**Component Type:** This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

**Title V:** This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:

1. Expiring Grant Number: CA0108L9T021508
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Pathways Project
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on...
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

The City of Berkeley’s Pathways Program is a collaboration between the City of Berkeley Health, Housing and Community Services Department (HHCSD) and Bonita House. The program targets adults who are dually diagnosed with a serious mental illness and history of alcohol and/or drug dependency. While some participants had entered the program through transitional housing for homeless and dually diagnosed adults operated by Bonita House, new enrollments are being prioritized for chronically homeless individuals that are referred by the Alameda County’s Home Stretch registry. Services are provided by Bonita House and HHCSD’s Mental Health Division.

2. Does your project have a specific population focus? Yes

2a. Please identify the specific population focus. (Select ALL that apply)

4A. Supportive Services for Participants

Instructions:
ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.
- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

### 5A. Project Participants - Households

**Instructions:**

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

**Households:** Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

- **Households with at least One Adult and One Child:** Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

- **Adult Households without Children:** Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

- **Households with Only Children:** Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Characteristics:** Enter the total number of homeless that fall under one of the characteristics listed.

- **Persons in Households with at least One Adult and One Child:** Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

- **Adult Persons in Households without Children:** Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

- **Persons in Households with Only Children:** Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Totals:** All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column "Persons not represented by listed subpopulations." Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? Yes

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? No

5. Renewal Grant Term: 1 Year

6. Select the costs for which funding is being requested:

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select “Yes” from the dropdown for this question. The project applicant will then have the ability to enter an amount in the “HUD Paid Rent (applicant)” field that is less than the amount listed in the “FMR Area (applicant)” field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC’s HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at http://www.huduser.org/portal/datasets/fmr.html.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select “No” above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as “Actual”.

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding “HUD Paid Rent” and by 12 months. If the applicant selected “No” above, the automatic calculation will be based on the FMR and not the “HUD Paid Rent”.

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.
Type of Rental Assistance:  SRA

Metropolitan or non-metropolitan  CA - Oakland-Fremont, CA HUD Metro FMR
fair market rent area: Area (060019999)

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents?  No

Total Value of In-Kind Commitments: $79,880
Total Value of All Commitments: $79,880
Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Will this commitment be used towards Match? Yes
2. Type of Commitment: In-Kind

5. Date of Written Commitment: 07/15/2016

6. Value of Written Commitment: $8,165
6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

**Instructions:**

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part 1), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

Additional for Rental Assistance Projects:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

B. For non-Rental Assistance Projects Only.

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

C. Explanation.

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Dear Sir or Madam:

This is in response to your telephone request of January 29, 2003, regarding your organization’s tax-exempt status.

Our records indicate that a determination letter issued in December 1971 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section 509(a)(2).

This classification was based on the assumption that your organization’s operations would continue as stated in the application. If your organization’s sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization’s annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
Bonita House, Inc.
94-1735133

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization’s present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization’s annual return available for public inspection without charge for three years after the due date of the return. If your organization had a copy of its application for recognition of exemption on July 15, 1987, it is also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization’s exempt status and foundation status, you should keep it with the organization’s permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization’s exempt status.

Sincerely,

John E. Ricketts, Director, TE/GE

## Exempt Organizations Select Check

### Organizations Eligible to Receive Tax-Deductible Charitable Contributions (Pub. 78 data) - Search Results

The following list includes tax-exempt organizations that are eligible to receive tax-deductible charitable contributions. Click on the "Deductibility Status" column for an explanation of limitations on the deductibility of contributions made to different types of tax-exempt organizations.

Results are sorted by EIN. To sort results by another category, click on the icon next to the column heading for that category. Clicking on that icon a second time will reverse the sort order. Click on a column heading for an explanation of information in that column.

- Return to Search
Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snapsguides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

| 1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? | Yes |
| 2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? | No |
| 3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? | No |

Explain why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request.
For FY14, HUD did not load this grant into eLOCCS due to error. SAHA has worked closely with the local HUD program office to identify the error and find a solution. We just received the notice from HUD on Tuesday August 2, 2016 that a crucial step was missed when processing our grant award. We have since completed and submitted the required forms to HUD and will draw down the entire grant amount as soon as it is posted in eLOCCS.

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No
3A. Project Detail

Instructions:

The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0109L9T021508
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Peter Babcock House
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type pf SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

Satellite Affordable Housing Associates’ project, Peter Babcock House, is a 5 unit permanent supportive housing development in South Berkeley that provides housing for chronically homeless persons with any physical disability who has been diagnosed with HIV/AIDS, asymptomatic HIV or symptomatic HIV.

By providing a supportive environment for people with HIV/AIDS, including a case manager and property management services, Peter Babcock House will enable resident clients to feel comfortable dealing with the complex problems associated with their illness. The philosophy of the House structure is and will be a combination of independence (private rooms, individualized goals) and community (peer support, group activities).

Satellite Affordable Housing Associates resolves to make available an array of support services along with a safe and high quality living conditions at Peter Babcock House to meet the needs of each client with the HIV/AIDS virus.

As owner and manager of Peter Babcock House, we will be responsible for the repair, maintenance, management and operation of Peter Babcock House. A service coordinator from our own agency and under direction of the Director of Resident Services, who is trained in providing services to HOPWA clients, will
be working closely with the 5 clients at PBH to provide relevant case
management services including: rehab, vocational and employment assistance;
referral and coordination of general health services; income support and
benefits; substance abuse treatment plans and referrals; consumer and family
involvement.

Upon move-in, the Case Manager will conduct an initial needs-assessment and
develop a service plan which will be regularly monitored and updated as the
needs of the clients change.

SAHA will also provide transportation services through its own passenger
vehicle service and by referrals to community resources.

As a service agency for HOPWA clients, SAHA also commits to facilitating
access to treatment services for HIV/AIDS health services, social services, and
physical health needs. This might include referral and advocacy to specific
HIV/AIDS serving agencies such as AID Minority Health initiative etc.

4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5A. Project Participants - Households

**Instructions:**

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant?: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant?  Yes
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? No

5. Renewal Grant Term: 1 Year

6. Select the costs for which funding is being requested:
   - Leased Units

6E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’S HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6F. Operating Budget

**Instructions:**

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2016 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Grant term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Total Value of Cash Commitments: $9,866
Total Value of In-Kind Commitments: $0
Total Value of All Commitments: $9,866
Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match screen will populate the Screen “6l. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps.guides/coc-program-competition-resources/

1. Will this commitment be used towards Match? Yes
2. Type of Commitment: Cash
3. Type of Source: Private
4. Name the Source of the Commitment: SAHA Property Management
   (Be as specific as possible and include the office or grant program as applicable)
5. Date of Written Commitment: 08/05/2016
6. Value of Written Commitment: $9,866
6l. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Name of Authorized Certifying Official: Chris Hess

Date: 08/24/2016

Title: Director of Resident Services

Applicant Organization: Satellite Affordable Housing Associates

PHA Number (For PHA Applicants Only):

I certify that I have been duly authorized by the applicant to submit this Applicant: X
Certification and to ensure compliance. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties. (U.S. Code, Title 218, Section 1001).

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Instructions:

Is Application Subject to Review by State Executive Order 12372 Process: In this required field, select the appropriate dropdown option that applies to the Applicant applying for homeless assistance funding. Applicants should contact the State Single Point of Contact (SPOC) for Federal Executive Order 12372 to determine whether the application is subject to the State intergovernmental review process.

Click the following link to access the lists of those States that have chosen to participate in the intergovernmental review process: http://www.whitehouse.gov/omb/grants_spoc

If the applicant is located in a state or U.S. territory that is required review by State Executive Order 12372, enter the date this application was made available to the State or U.S. territory for review.

Is the Applicant Delinquent on any Federal Debt: In this required field, select the appropriate dropdown option that applies to the project applicant. This question applies to the project applicant’s organization, not the person who signs as the authorized representative. Categories of debt include delinquent audit disallowances, loans, and taxes.

If “Yes” is selected an explanation is required in the space provided on this screen.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

19. Is the Application Subject to Review By State Executive Order 12372 Process? b. Program is subject to E.O. 12372 but has not been selected by the State for review.

If "YES", enter the date this application was made available to the State for review:

20. Is the Applicant delinquent on any Federal debt? No

If "YES," provide an explanation:
1F. Declaration

Instructions:

The authorized person for the project applicant organization must agree to the declaration statement in order to proceed to the project application. The list of certifications and assurances are contained in the FY 2016 CoC Program NOFA, and in the e-snaps Project Applicant Profile.

Authorized Representative: The authorized representative’s information is pre-populated on this screen from the Project Applicant Profile. A copy of the governing body’s authorization for this person to sign the project application as the official representative must be on file in the applicant’s office.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

All screens, 1A – 1F must be completed in full before the project applicant will have access to the Project Application in e-snaps.

By signing and submitting this application, I certify (1) to the statements contained in the list of certifications** and (2) that the statements herein are true, complete, and accurate to the best of my knowledge. I also provide the required assurances** and agree to comply with any resulting terms if I accept an award. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties. (U.S. Code, Title 218, Section 1001)

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes

Applicant: Alameda County Housing and Community Development Department
Project: Reciprocal Integrated Services for Empowerment (RISE) Project

Renewal Project Application FY2016  Page 19  09/12/2016
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

During the operating period one of the project sub recipients had a staffing change which contributed to the agency not fully utilizing funds in their contract. All project sub recipient will make efforts to fully utilize the funding their contracts for the renewed contracts.
3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snapsguides/coc-program-competition-resources/

1. Expiring Grant Number: CA0110L9T021508
   (e.g., the “Federal Award Identifier” indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Reciprocal Integrated Services for Empowerment (RISE) Project
4. Project Status:  Standard

5. Component Type:  PH

6. Does this project use one or more properties that have been conveyed through the Title V process?  No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange:

4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

Renewal Project Application FY2016  Page 26  09/12/2016
2. Please identify whether the project includes the following activities:

2a. Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Yes

2b. Use of a single application form for four or more mainstream programs? No

2c. At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Yes

3. Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Yes

3a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months. No
4B. Housing Type and Location

The following list summarizes each housing site in the project. To add a housing site to the list, select the icon. To view or update a housing site already listed, select the icon.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

5A. Project Participants - Households

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Renewal Project Application FY2016  Page 35  09/12/2016
Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? No
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project?  No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation?  No

4. Does this project propose to allocate funds according to an indirect cost rate?  No

5. Renewal Grant Term:  1 Year

6. Select the costs for which funding is being requested:
   - Leased Units
   - Leased Structures
   - Supportive Services  X
   - Operations
   - HMIS  X
6E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

6G. HMIS Budget

Instructions:

Enter the quantity and total budget request for each HMIS cost. The request entered should be equivalent to the cost of one year of the relevant HMIS activity. The system populates a list of eligible costs associated with the implementation of an HMIS and for which CoC funds can be requested.

Quantity Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff) for each HMIS cost for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount funds requested for each activity. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant term: This field is populated based on the grant term selected on the “Funding Request” screen and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

Total Value of Cash Commitments: $38,115

Total Value of In-Kind Commitments: $10,000

Total Value of All Commitments: $48,115
Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Will this commitment be used towards Match? Yes
2. Type of Commitment: Cash
3. Type of Source: Government
4. Name the Source of the Commitment: Behavioral Health Care Services (Be as specific as possible and include the office or grant program as applicable)
5. Date of Written Commitment: 01/15/2015
6. Value of Written Commitment: $38,115
Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of Source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the “Save” button.

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Dear Taxpayer:

This is in response to your request of June 11, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in November 1989, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(03) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

[Signature]

Cindy Westcott
Manager, EO Determinations
Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 170(b)(1)(A)(vi).

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than $5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of $10 a day, up to a maximum of $5,000, for failure to file a return on time.
You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

District Director
Dear Sir or Madam:

Thank you for submitting the information shown below or on the enclosure. We have made it a part of your file.

The changes indicated do not adversely affect your exempt status and the exemption letter issued to you continues in effect.

Please let us know about any future change in the character, purpose, method of operation, name or address of your organization. This is a requirement for retaining your exempt status.

Thank you for your cooperation.

Sincerely yours,

Steven A. Jensen
District Director

Dear Sir or Madam:

This is in response to your request of May 29, 2007, regarding your organization's tax-exempt status.

In November 1975 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records indicate that your organization is also classified as a public charity under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Michele M. Sullivan

Accounts Management Operations
Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Is Application Subject to Review by State Executive Order 12372 Process: In this required field, select the appropriate dropdown option that applies to the Applicant applying for homeless assistance funding. Applicants should contact the State Single Point of Contact (SPOC) for Federal Executive Order 12372 to determine whether the application is subject to the State intergovernmental review process.

Click the following link to access the lists of those States that have chosen to participate in the intergovernmental review process: http://www.whitehouse.gov/omb/grants_spoc

If the applicant is located in a state or U.S. territory that is required review by State Executive Order 12372, enter the date this application was made available to the State or U.S. territory for review.

Is the Applicant Delinquent on any Federal Debt: In this required field, select the appropriate dropdown option that applies to the project applicant. This question applies to the project applicant’s organization, not the person who signs as the authorized representative. Categories of debt include delinquent audit disallowances, loans, and taxes.

If "Yes" is selected an explanation is required in the space provided on this screen.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

19. Is the Application Subject to Review By State Executive Order 12372 Process?
   b. Program is subject to E.O. 12372 but has not been selected by the State for review.

   If "YES", enter the date this application was made available to the State for review:

20. Is the Applicant delinquent on any Federal debt?
   No

   If "YES," provide an explanation:
1F. Declaration

Instructions:

The authorized person for the project applicant organization must agree to the declaration statement in order to proceed to the project application. The list of certifications and assurances are contained in the FY 2016 CoC Program NOFA, and in the e-snaps Project Applicant Profile.

Authorized Representative: The authorized representative’s information is pre-populated on this screen from the Project Applicant Profile. A copy of the governing body’s authorization for this person to sign the project application as the official representative must be on file in the applicant’s office.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

All screens, 1A – 1F must be completed in full before the project applicant will have access to the Project Application in e-snaps.

By signing and submitting this application, I certify (1) to the statements contained in the list of certifications** and (2) that the statements herein are true, complete, and accurate to the best of my knowledge. I also provide the required assurances** and agree to comply with any resulting terms if I accept an award. I am aware that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties. (U.S. Code, Title 218, Section 1001)

2B. Recipient Performance

**Instructions:**

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

**APR Submission:** Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

**HUD Monitoring Findings:** Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

**Quarterly Drawdowns:** Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

**Recaptured Funds:** Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0111L9T021507
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Regent Street
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.)

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Provide a description that addresses the entire scope of the proposed project.

Regent Street is permanent supportive housing project servicing six formerly homeless people living with HIV/AIDS in Berkeley, CA. The property is managed by the John Stewart Company, owned by RCD who collaborates with Abode Services to provide service coordination and other supportive services focused on keeping participants stable housed, generating positive health outcomes and helping residents to attain greater self-sufficiency.

2. Does your project have a specific population focus?  Yes

2a. Please identify the specific population focus. (Select ALL that apply)

4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- **Provider:** select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- **Frequency:** Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

Additional Resources can be found at the HUD Resource Exchange:

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

### 5A. Project Participants - Households

**Instructions:**

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

### 5B. Project Participants - Subpopulations

**Instructions:**

**ALL PROJECTS EXCEPT HMIS**

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

- **Persons in Households with at least one Adult and One Child** chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

- **Persons in Households without Children** chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

- **Persons in Households with Only Children** chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

**Total Persons:** All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Additional Resources can be found at the HUD Resource Exchange:

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

6E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

A quantity AND description must be entered for each requested cost.

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2016 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Grant term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

**Name of Authorized Certifying Official**

Daniel Sawislak

**Date:** 08/30/2016

**Title:** Executive Director

Dear Taxpayer:

This is in response to your request of June 11, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in November 1989, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(03) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Cindy Westcott
Manager, EO Determinations
To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No
3A. Project Detail

**Instructions:**

The selections made on this screen will determine which additional forms will need to be completed for this project application.

**Expiring Grant Number:** This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

**CoC Number and Name:** Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

**CoC Collaborative Applicant Name:** Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

**Project Name:** This is pre-populated from the “Project” Form and cannot be edited.

**Project Status:** The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

**Component Type:** This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

**Title V:** This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

**Additional Resources can be found at the HUD Resource Exchange:**

2a. **CoC Number and Name:** CA-502 - Oakland, Berkeley/Alameda County CoC

2b. **CoC Collaborative Applicant Name:** Alameda County

3. **Project Name:** Russell Street Residence
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange:

1. Provide a description that addresses the entire scope of the proposed project.

The Russell Street Residence (RSR) is composed of two related programs on one site that serve a total of 21 clients. Both program components provide permanent supported housing to mentally ill adults. The first program is a state licensed Adult Residential Facility (ARF) for 17 adults living with serious mental illness. The second program, the Annex, is semi independent living for 4 single adults with serious mental illness. Of the 21 total beds, 13 beds are funded by the HUD program.

The target population of RSR is formerly homeless adults who are diagnosed with a serious mental illness. Many residents are dual diagnosed with substance use as well as mental illness and many residents have been chronically homeless. The program operates in close collaboration with Berkeley Mental Health (BMH) who provides clinicians and with the newly created Homestretch registry in Alameda County. Homestretch is the component of the Coordinated Entry System that creates a registry of clients who are best matched for Permanent supportive housing. RSR will be working closely with Homestretch to receive referrals for the program from the Homestretch registry.

The ARF program provides 24 hour awake staff; three meals a day plus snacks; therapeutic activities and outings; transportation to appointments; and assistance with activities of daily living. Staff work with residents to develop
independent living skills and assess those who might be ready to move into a
more independent setting.
Basic program expectations include meeting lease expectations and working on
community living guidelines. Clients are encouraged to participate in the daily
activities that are offered in the program as well as encouraged to participate in
outside community activities. Annex residence live semi independently but are
able to still participate in the development of a housing retention plan with their
Case Manager and RSR Manager, participate in program activities and outings,
and work with staff on developing and maintaining independent living skills as
needed.
The goal of RSR is to assist clients in maintaining their permanent housing
through the development of housing retention skills. Each resident has a
Housing Case Plan, which is created with the resident, their case Manager and
RSR Program Manager. Case plans may include skills development related to
communal living, personal hygiene, and medication management as well as
tenancy and housing retention skills. Tenants may choose not to work on the
case plan and may choose not to meet with their case manager.
Primary medical is offered on site with LifeLong Medical Care. BMH provides
clinicians to hold therapeutic groups on site, and several long term volunteers
provide therapeutic writing and art activities.

4A. Supportive Services for Participants

Instructions:
ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

Additional Resources can be found at the HUD Resource Exchange:

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5A. Project Participants - Households

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Instructions:

Complete the following fields related to the funds being requested to lease one or more structures for operating the project.

Structure Name: This is a required field. Indicate the name of the structure for which funds are requested.

Address: Only 1 “Street Address…” field is required. Enter the actual street number and name in the first field. Do not list a PO Box or other mailing address. Use the second field for apartment or subsection numbers. Complete fields for City, State and Zip Code.

HUD Paid Rent (Annual): This is a required field. Enter the annual leasing amount. The amount entered cannot exceed the annual rent for comparable structures.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field will equal the total leasing amount entered above.

All total fields will be calculated once the required field has been completed and saved.

6E. Supportive Services Budget

Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

### 6F. Operating Budget

**Instructions:**

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

**Total Annual Assistance Requested:** This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2016 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Grant term: This field is populated with the value “1 Year” and will be read only.

**Total Request for Grant Term:** This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Will this commitment be used towards Match? Yes
2. Type of Commitment: Cash
3. Type of Source: Private
4. Name the Source of the Commitment: Berkeley Food and Housing Project (Be as specific as possible and include the office or grant program as applicable)
5. Date of Written Commitment: 08/16/2016
6. Value of Written Commitment: $124,000
6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the “Save” button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient’s nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section’s nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps.guides/coc-program-competition-resources/     - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
  - Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
  - To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
  - Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
  - Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
  - Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
  - Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
  - Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
  - HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2A. Project Subrecipients Detail

Instructions:
Enter the contact information for the person designated by the subrecipient who has the authority to act on the subrecipient’s behalf.

Organization Name: This field is required. Enter the legal name of the organization that will serve as the subrecipient.

Organization Type: This field is required. Select the type of business organization that best describes the subrecipient. Nonprofit applicant types (both public and private) are required to submit to HUD one of the following sources documenting nonprofit status: (1) IRS letter or ruling showing 501(c)(3) status; (2) Documentation showing certified United Way agency status; (3) Certification from a licensed CPA (see 24 CFR part 578); or (4) Letter from an authorized state official showing that the applicant is organized and in good standing as a public nonprofit
organization.

If Other, please specify: Enter the other type of business organization that best describes the subrecipient.

Employer or Tax Identification Number: This field is required. Enter the Employer or Taxpayer Identification Number (EIN or TIN) as assigned by the Internal Revenue Service.

Organizational DUNS: This field is required. Enter the organization’s DUNS or DUNS+4 number received from Dun and Bradstreet. Information on obtaining a DUNS number may be obtained at http://www.dnb.com.

Physical Address: Enter the street address, city, state, and zip code (required); county, province, and country (optional). If the mailing address is different from the street address, enter the mailing address.

Congressional District(s): This field is required. Select the congressional district(s) in which the subrecipient is located.

Faith Based Organization: This field is required. Select “Yes” or “No” if the subrecipient is a faith based organization.

Prior Federal Grant Recipient: This field is required. Select “Yes” or “No” to indicate if the subrecipient has ever received a federal grant.

Contact person: Enter the prefix, first name, last name, and title (required); middle name and suffix (optional). Enter the person’s organizational affiliation if affiliated with an organization other than the subrecipient. Enter the person’s telephone number and email (required); alternate number, extension, and fax number (optional).

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select “Yes” or “No” from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If “No” is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select “Yes” or “No” from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select “Yes” or “No” from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If “No,” is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select “Yes” or “No” from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If “Yes,” is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

In 15/16, we anticipated being able to serve nearly three times as many households as we are currently in contract to serve (47) and continuing to reduce the amount of unspent funds in the grant. However, the increasingly high rental market in Alameda County made it extremely difficult for families approved for the program to find landlords that would rent to them. The amount of time families were in housing search rose dramatically, which severely limited our ability to spend the rental assistance line item. Because of this, the amount of unspent funds in our grant actually increased from the previous year. We are working on a number of strategies to mitigate this issue, but we will probably continue to face this issue until the rental market surge subsides.
Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

3. Project Name: Southern Alameda County Housing/Jobs Linkages Program
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.

- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.

- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.

- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.

- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps(guides/coc-program-competition-resources/)

1. Provide a description that addresses the entire scope of the proposed project.

The Housing/Jobs Linkages Program is a 7-agency collaborative effort designed to provide rapid re-housing rental subsidies, job preparation and placement, and support services to homeless families throughout Mid, South, and Eastern Alameda County. Families who are homeless and linked with a participating shelter are eligible to receive 3-24 months of rental subsidy while attending vocational training or working, and working on life skills and individual and family issues. The objective of Linkages is to assist homeless families to transition to self-sufficiency in a relatively short period of time, and to ensure that they have developed the skills and the income to remain self-sufficient.

The Linkages Collaborative consists of six shelters: Ruby’s Place, Safe Alternatives to Violent Environments (SAVE), Building Futures for Women and Children, Family Emergency Shelter Coalition (FESCO), Abode Services, and Tri-Valley Haven; and the Alameda County Housing and Community Development (HCD) Department, which serves as the Lead Agency for the collaborative.

Each year this project screens 300 families through outreach and assessment by the participating shelters and partners. The Linkages operating capacity includes rental assistance and supportive services to participants during the
application process, housing search, housing, and a six-month follow-up period.

The collaborative has been working together since 1995 on this program, which used to be a transition-in-place program but converted to rapid re-housing three years ago to better align with HUD priorities and increase the capacity and impact of the grant. All of the collaborative partners participated in an intensive redesign process, in which the service model and subsidy structures were modified to shorten the length of stay for families that could transition more readily; to incrementally increase the household contribution to rent to allow for a less abrupt termination of subsidy; and to seek to move as many families quickly into permanent housing as possible. This modified subsidy structure and the increased rental assistance funding allow the program to house more families, thereby moving more people from the County’s shelter system into permanent housing.

The success of the program is measured in terms of housing stability and increased self-sufficiency. It is our goal that 83% of households remain stably housed or exit to permanent housing, and that 74% of participants either maintain or increase their income while enrolled.

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- **Provider**: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- **Frequency**: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- **Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs?** Select “Yes” or “No” from the dropdown menu.
- **Use of a single application form for four or more mainstream programs?** Select “Yes” or “No” from the dropdown menu.
- **At least annual follow-ups with participants to ensure mainstream benefits are received and renewed?** Select “Yes” or “No” from the dropdown menu.
- **Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency?** Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- **Has the staff person providing the technical assistance completed SOAR training in the past 24 months.** Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps-guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? **No**
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project?  No

Rental Assistance Budget Detail

Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select “Yes” from the dropdown for this question. The project applicant will then have the ability to enter an amount in the “HUD Paid Rent (applicant)” field that is less than the amount listed in the “FMR Area (applicant)” field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC’s HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at http://www.huduser.org/portal/datasets/fmr.html.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select “No” above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as “Actual”.

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding “HUD Paid Rent” and by 12 months. If the applicant selected “No” above, the automatic calculation will be based on the FMR and not the “HUD Paid Rent”.

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.
Type of Rental Assistance:  TRA

Metropolitan or non-metropolitan fair market rent area:  CA - Oakland-Fremont, CA HUD Metro FMR Area (0600199999)

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents?  No

**6E. Supportive Services Budget**

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The
Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section’s nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Dear Taxpayer:

This is in response to your request of July 07, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in November 1989, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Dear Taxpayer:

This is in response to your request of Jan. 05, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in October 1989, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(03) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Dear Sir or Madam:

This is in response to your request of July 2, 2007, regarding your organization's tax-exempt status:

In June 1987 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Our records indicate that your organization is also classified as a public charity under sections 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code.

Our records indicate that contributions to your organization are deductible under section 170 of the Code, and that you are qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Internal Revenue Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Michele M. Sullivan

Dear Sir or Madam:

This is in response to your request for information regarding your tax-exempt status.

Our records indicate you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in March 1974.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/charities for information regarding filing requirements. Specifically, note that section 6033(j) of the Code automatically revokes the tax-exemption of any organization that fails to satisfy its filing requirement for three consecutive years. The automatic revocation of exemption is effective as of the due date of the third required annual filing or notice. The IRS maintains a list of organizations whose tax-exempt status was automatically revoked at IRS.gov.

If you have any questions, please call the phone number in the heading of this letter:

Sincerely,

Kenneth Corbin

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If “Yes” is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

The amount underspend in the last grant year was extremely small ($974). We should be able to fully spend the grant in the next grant period.
3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select "Yes" or "No" to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0119L9T021508  
(e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Spirit of Hope I
4. Project Status:  Standard

5. Component Type:  PH

6. Does this project use one or more properties that have been conveyed through the Title V process?  Yes
3B. Project Description

Instructions:

**ALL PROJECTS**

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

**PH, SH, TH and SSO PROJECTS ONLY**

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

**PH PROJECTS ONLY**

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

**PH AND TH PROJECTS ONLY:**

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

**RENTAL ASSISTANCE PROJECTS ONLY**

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Provide a description that addresses the entire scope of the proposed project.

This project provides operational support to 8 units of permanent housing. Residents enrolled in the project must have met HUD supportive Housing eligibility criteria. As this is a housing operations project, all support services are provided through the APC multi-service Center PSH grant.

2. Does your project have a specific population focus? Yes

2a. Please identify the specific population focus. (Select ALL that apply)

4A. Supportive Services for Participants

Instructions:
ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

2. Please identify whether the project includes the following activities:

2a. Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Yes

2b. Use of a single application form for four or more mainstream programs? No

2c. At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Yes

3. Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Yes

3a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Yes

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5A. Project Participants - Households

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPTION HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? Yes
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project?  No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation?  No

4. Does this project propose to allocate funds according to an indirect cost rate?  No

5. Renewal Grant Term:  1 Year

6. Select the costs for which funding is being requested:
   - Leased Units
   - Leased Structures
   - Supportive Services
   - Operations  X
   - HMIS
6F. Operating Budget

Instructions:

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity and detail (e.g., .75 FTE hours and benefits for staff, utility types, and monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Are you requesting a 15 year renewal per the FY2016 CoC Program NOFA? This request is only available for Operating Costs budget line items in projects in which the applicant owns the building and needs to provide maintenance. Only 1 year of funding is allowed according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Grant term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps(guides/coc-program-competition-resources/)

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

Sources of Match Detail

Instructions:
Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Will this commitment be used towards Match? Yes

2. Type of Commitment: Cash

3. Type of Source: Private

4. Name the Source of the Commitment: Residential and commercial rent (Be as specific as possible and include the office or grant program as applicable)

5. Date of Written Commitment: 08/15/2016

6. Value of Written Commitment: $12,921
6l. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

Document Description:
7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section’s nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

**Name of Authorized Certifying Official**

Public Charity Status:
170(b)(1)(A)(vi)

Dear Applicant:

Our letter dated November, 2000, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, (800) 629-3676. Information is also available on our Internet Web Site at www.irs.gov.

If you have general questions about exempt organizations, please call our toll-free number shown in the heading between 8:00 a.m. - 6:30 p.m. Eastern time.

Please keep this letter in your permanent records.

Sincerely yours,

Lois G. Lerner

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snapsguides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

In the last year, the STAY Well program expended 96% of the program budget. STAY Well is a master-leased program, and participants pay a portion of their rent, which is treated as program income. This income has to be applied as revenue before the HUD dollars can be tapped into, which impacts overall spending. To mitigate this, we have over-leased this program by five units (from a capacity of 31 to a capacity of 36). At the halfway point of the current contract year (May 2016), we had drawn 49.86% of the current grant, and do not anticipate any issues in fully expending this or future grants.
3A. Project Detail

Instructions:

The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0120L9T021508
   (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: STAY Well Housing
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type pf SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

STAY Well Housing is a permanent supportive housing program that offers housing and various supportive services to 31 homeless young adults who are living with disabilities. The young people served by STAY Well have multiple barriers to housing, including severe mental illness, substance use issues, and in some cases, long histories of homelessness and housing instability. Unlike many transition-age youth, STAY Well participants require longer-term supportive housing than that which is afforded by more traditional transitional housing programs. While some of the participants enter the program directly from the streets or emergency shelter, others are currently receiving comprehensive services from the STAY program (a partnership between Abode Services, Fred Finch, and Alameda County Behavioral Health Care Services) but have demonstrated the need for longer-term housing support.

Structured in this way, STAY Well is able to complement the housing location and stabilization services provided by Abode Services with the rich service resources leveraged through the STAY partnership, including outreach, service coordination, case management, medical and mental health treatment, substance abuse services, and numerous other services designed to increase life skills, financial skills, education, and self-sufficiency.
The program focuses intently upon housing stability, increased self-sufficiency, and meaningful improvements to quality of life and health/wellness. In the last contract year, 95% of participants maintained stable housing or exited to another type of permanent housing, and 83% of adults either maintained or increased their income.

2. Does your project have a specific population focus? Yes

4A. Supportive Services for Participants

Instructions:
ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: "Applicant" to indicate that the applicant will provide the service directly; "Subrecipient" to indicate that a subrecipient will provide the service directly; "Partner" to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, "Non-Partner" to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as "—select—" when services are not applicable.

Please identify whether the project includes the following activities:
- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

### Instructions:

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

**Households:** Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

**Households with at least One Adult and One Child:** Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

**Adult Households without Children:** Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

**Households with Only Children:** Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Characteristics:** Enter the total number of homeless that fall under one of the characteristics listed.

**Persons in Households with at least One Adult and One Child:** Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

**Adult Persons in Households without Children:** Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

**Persons in Households with Only Children:** Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Totals:** All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

**Instructions:**

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rent for each unit in the FMR Area column in the chart below. The FMRs are available online at [http://www.huduser.org/portal/datasets/fmr.html](http://www.huduser.org/portal/datasets/fmr.html).

Size of Units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) entered must match the HUD approved FY 2016 GIW.

Total Units and Annual Assistance Requested: This is a required field. Enter in the total leased units amount according to the CoC’s HUD approved FY 2016 GIW.

Grant Term: This field is populated with “1 Year” and will be read only.

Total Request for Grant Term: This field will equal the total leasing amount entered above.

All total fields will be calculated once the required field has been completed and saved.

## 6E. Supportive Services Budget

### Instructions:

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

Sources of Match Detail

Instructions:
Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange:

   (Be as specific as possible and include the office or grant program as applicable)
5. Date of Written Commitment: 08/16/2016
6. Value of Written Commitment: $42,500
Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

Additional for Rental Assistance Projects:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

B. For non-Rental Assistance Projects Only.

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No
3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expiring Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0121L9T021508
(e.g., the “Federal Award Identifier” indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Supportive Housing Network
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.)
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type pf SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/ No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Provide a description that addresses the entire scope of the proposed project.

The Supportive Housing Network is a sponsor-based grant that is a collaboration between the City of Berkeley Health, Housing and Community Services Department (HHCSD) and Resources for Community Development (RCD). The project provides housing and services to single adults with a serious and persistent mental illness and/or a history of drug and alcohol dependence. Outreach and services are provided by the following service agencies: City of Berkeley HHCSD’s Mental Health and Aging Services Divisions, Bonita House, and LifeLong Medical Care. Participants are placed in either of two housing sites in Berkeley owned and operated by RCD.

2. Does your project have a specific population focus? Yes

3d. Does the project follow a "Housing First" approach? Yes
4. Does the PH project provide PSH or RRH?  PSH

4a. Does the project request costs under the rental assistance budget line item?  Yes

4b. Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance?  No
4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

   Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

   - Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project’s grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

5A. Project Participants - Households

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant?: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project?: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate?: This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:
- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? No

Total Request for Grant Term: $134,640
Total Units: 12
Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area’s per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select “Yes” from the dropdown for this question. The project applicant will then have the ability to enter an amount in the “HUD Paid Rent (applicant)” field that is less than the amount listed in the “FMR Area (applicant)” field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC’s HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at http://www.huduser.org/portal/datasets/fmr.html.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select “No” above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as “Actual”.

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding “HUD Paid Rent” and by 12 months. If the applicant selected “No” above, the automatic calculation will be based on the FMR and not the “HUD Paid Rent.”.

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.
**Type of Rental Assistance:** SRA

**Metropolitan or non-metropolitan fair market rent area:** CA - Oakland-Fremont, CA HUD Metro FMR Area (060019999)

**Does the applicant request rental assistance funding for less than the area's per unit size fair market rents?** No

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

**7A. Attachment(s)**

**Instructions:**

Subrecipient Nonprofit Documentation: Documentation of the subrecipient’s nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

Document Description:
7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

Additional for Rental Assistance Projects:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

B. For non-Rental Assistance Projects Only.

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

C. Explanation.

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Dear Taxpayer:

This letter is in response to your request for a copy of the determination letter for the above named organization.

Our records indicate this organization was recognized to be exempt from Federal Income Tax in October 1984 as described in Internal Revenue Code Section 501(c)(3). It is further classified as an organization that is not a private foundation as defined in Section 509(a) of the Code, because it is an organization described in Section 170(b)(1)(A)(vi).

The exempt status for the determination letter issued in October 1984 continues to be effective.

If you need further assistance, please contact our office at the above address or telephone number.

Sincerely,

J. Teague

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

Is Application Subject to Review by State Executive Order 12372 Process: In this required field, select the appropriate dropdown option that applies to the Applicant applying for homeless assistance funding. Applicants should contact the State Single Point of Contact (SPOC) for Federal Executive Order 12372 to determine whether the application is subject to the State intergovernmental review process.

Click the following link to access the lists of those States that have chosen to participate in the intergovernmental review process: http://www.whitehouse.gov/omb/grants_spoc

If the applicant is located in a state or U.S. territory that is required review by State Executive Order 12372, enter the date this application was made available to the State or U.S. territory for review.

Is the Applicant Delinquent on any Federal Debt: In this required field, select the appropriate dropdown option that applies to the project applicant. This question applies to the project applicant’s organization, not the person who signs as the authorized representative. Categories of debt include delinquent audit disallowances, loans, and taxes.

If “Yes” is selected an explanation is required in the space provided on this screen.

2B. Recipient Performance

Instructions:
The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of:
timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

Due to the method that HUD uses to calculate the award amount for rental assistance projects, the award amount always exceeds the amount needed to subsidize the contracted number of units. Consequently, rental assistance projects are funded at a level that results in unspent funds even though the project has been fully leased. In addition, since rental assistance projects must be renewed annually and the award amounts fluctuate each year with the FMR’s, programs must maintain a reserve of funds to adjust for annual changes in the award amounts and to be prepared for potential reduction of funding.
3A. Project Detail

Instructions:

The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expanding Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an effect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0116L9T021508
   (e.g., the “Federal Award Identifier” indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Tenant Based Rental Assistance
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

Additional Resources can be found at the HUD Resource Exchange:

1. Provide a description that addresses the entire scope of the proposed project.

The City of Berkeley Tenant Based Rental Assistance Program is a collaboration of the City’s Health, Housing & Community Services Department and nine non-profit service agencies. The program provides tenant-based rental assistance, housing placement, case management and other supportive services to homeless individuals and families who have a disability due to a serious mental illness, chronic drug or alcohol dependence, or HIV/AIDS. Priority is given to households who meet HUD's definition for being chronically homeless.

2. Does your project have a specific population focus? Yes

2a. Please identify the specific population focus. (Select ALL that apply)

4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:

- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

Additional Resources can be found at the HUD Resource Exchange:

4B. Housing Type and Location Detail

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’S Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question “3c.” above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

# 5A. Project Participants - Households

## Instructions:

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

**Households:** Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

- **Households with at least One Adult and One Child:** Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

- **Adult Households without Children:** Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

- **Households with Only Children:** Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Characteristics:** Enter the total number of homeless that fall under one of the characteristics listed.

- **Persons in Households with at least One Adult and One Child:** Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

- **Adult Persons in Households without Children:** Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

- **Persons in Households with Only Children:** Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

**Totals:** All fields in the “Total Number…” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:
- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Do any of the properties in this project have an active restrictive covenant? No
2. Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? No

3. Are the requested renewal funds reduced from the previous award as a result of reallocation? No

4. Does this project propose to allocate funds according to an indirect cost rate? No

5. Renewal Grant Term: 1 Year

Total Request for Grant Term: $2,125,188
Total Units: 129
## Instructions:

Type of Rental Assistance: Select the applicable type of rental assistance from the dropdown menu. Options include tenant-based (TRA), sponsor-based (SRA), and project-based assistance (PRA). Each type has unique requirements and applicants should refer to the 24 CFR 578.51 before making a selection.

Metropolitan or non-metropolitan fair market rent area: This is a required field. Select the FY 2016 FMR area in which the project is located. The list is sorted by state abbreviation. The selected FMR area will be used to populate the rents in the chart below.

Does the applicant request rental assistance funding for less than the area's per unit size fair market rents: In the FY 2016 CoC Program Competition, eligible renewal projects requesting rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR). If the project applicant wants to request less than the FMR, select “Yes” from the dropdown for this question. The project applicant will then have the ability to enter an amount in the “HUD Paid Rent (applicant)” field that is less than the amount listed in the “FMR Area (applicant)” field. The following question is visible when PRA is selected:

Are you requesting a 15 year renewal per the FY2015 CoC Program NOFA? This request is only available for PH PRA rental assistance projects and 1 year of funding according to the relevant section of the FY 2016 CoC Program Competition NOFA.

Size of units: These options are system generated. Unit size is defined by the number of distinct bedrooms and not by the number of distinct beds.

# of units: This is a required field. For each unit size, enter the number of units for which funding is being requested. The number(s) listed should match the CoC’s HUD-approved FY 2015 GIW.

FMR: These fields are populated with the FY 2016 FMRs based on the FMR area selected by the project applicant. The FMRs are available online at http://www.huduser.org/portal/datasets/fmr.html.

HUD Paid Rent: For each unit size, enter the rent to be paid by the CoC program grant. This rent cannot exceed the FMR amount in the previous column; however, project applicants may request less than the FMR. Once funds are awarded recipients must document compliance with the rent reasonableness requirement set forth in section 578.51(g) of the CoC Program interim rule. (If the applicants select “No” above, this column will not be available for edit). In the GIW, HUD Paid Rent is known as “Actual”.

12 Months: These fields are populated with the value 12 to calculate the annual rent request.

Total Request: This column populates with the total calculated amount from each row based on the number of units multiplied by the corresponding “HUD Paid Rent” and by 12 months. If the applicant selected “No” above, the automatic calculation will be based on the FMR and not the “HUD Paid Rent.”.

Total Units and Annual Assistance Requested: The fields in this row are automatically calculated based on the total number of units and the sum of the total requests per unit size per year.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on total annual assistance requested multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

**Metropolitan or non-metropolitan fair market rent area:** CA - Oakland-Fremont, CA HUD Metro FMR Area (0600199999)

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The
Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

6I. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient’s nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant’s application for funding is consistent with the jurisdiction’s HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

7B. Certification

A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

**Additional for Rental Assistance Projects:**

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

**B. For non-Rental Assistance Projects Only.**

**20-Year Operation Rule.**

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

**1-Year Operation Rule.**

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

**C. Explanation.**

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at https://www.hudexchange.info/e-snaps-guides/coc-program-competition-resources/
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2016 Continuum of Care (CoC) Program Competition. For more information see FY 2016 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2016 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2015 Project Application will be imported into the FY 2016 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2015 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2016 CoC Program Competition NOFA.

2B. Recipient Performance

Instructions:

The selections made on this screen by completing all of the mandatory fields marked with an asterisk (*), will provide information on capacity of the project applicant. The screen asks the Project Applicant questions about capacity performance as a HUD grant recipient; in terms of: timely submission of required reports, quarterly eLOCCS drawdowns, addressing HUD monitoring and/or OIG audit findings and the recapture of any funds from the most recently expired grant term of the project.

APR Submission: Select "Yes" or "No" from the dropdown menu to indicate whether you have successfully submitted the APR on time for the most recently expired grant term related to this renewal project request. If "No" is selected, an additional question will appear, in which you must provide an explanation in the textbox; as to why the APR was not submitted in a timely manner.

HUD Monitoring Findings: Select "Yes" or "No" from the dropdown menu to indicate whether your organization has any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request. If "Yes" is selected, two new questions will appear, in which the applicant will enter the date of the oldest unresolved finding(s) and explain why the findings remain unresolved in the textbox provided.

Quarterly Drawdowns: Select "Yes" or "No" from the dropdown menu to indicate whether your organization maintained consistent Quarterly Drawdowns from eLOCCS for the most recent grant terms related to this renewal project. If "No," is selected, one new question will appear in which the applicant must explain, in the textbox provided, as to why the recipient has not maintained consistent Quarterly Drawdowns for the most recent grant terms related to this renewal project request.

Recaptured Funds: Select "Yes" or "No" from the dropdown menu to indicate whether any funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. If "Yes," is selected, one new question will appear, in which the applicant must explain why HUD recaptured funds from the most recently expired grant term.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes
Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

The amount underspent in the last grant year was extremely small ($352) and were administrative costs, not program costs. We should be able to fully spend the grant in the next grant period.
3A. Project Detail

Instructions:
The selections made on this screen will determine which additional forms will need to be completed for this project application.

Expired Grant Number: This field is pre-populated with the expiring grant number entered on Screen “1A. Application Type.”

CoC Number and Name: Select the number and name of the CoC to which the project application will be submitted for the local competition review process. This is the CoC that will submit the CoC Consolidated Application to HUD by the designated submission deadline. Applicants with projects that do not belong to a CoC should select “No CoC.”

CoC Collaborative Applicant Name: Select the name of the CoC Applicant, also known as the Collaborative Applicant, from the dropdown. In most cases, there will only be one name from which to choose. The project applicant should choose the name of the CoC Applicant to which they intend to submit this project application.

Project Name: This is pre-populated from the “Project” Form and cannot be edited.

Project Status: The default selection is “Standard,” indicating that the applicant is submitting the application to the Collaborative Applicant for consideration in the FY 2016 CoC Program competition. The selection should only be changed to “Appeal” in the event that the project application is rejected by the Collaborative Applicant (either formally in e-snaps or outside of e-snaps) and the project applicant wants to appeal this decision directly to HUD by submitting a solo application. For additional information on the appeal process, see Section X of the FY 2016 CoC Program Competition NOFA. A full explanation of the process is provided on Screen “8A. Notice of Intent to Appeal.”

Component Type: This is a required field. Select the component type that identifies the renewal project application type. This can be either a PH, SH, TH, SSO or HMIS. The selection of component type will have an affect on what question on subsequent screens are asked of the user.

Title V: This field is required. Select “Yes” or “No” to indicate if one or more properties being served by this project were acquired under Title V.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

1. Expiring Grant Number: CA0125L9T021508
   (e.g., the “Federal Award Identifier” indicated on form 1A. Application Type)

2a. CoC Number and Name: CA-502 - Oakland, Berkeley/Alameda County CoC

2b. CoC Collaborative Applicant Name: Alameda County

3. Project Name: Tri-City FESCO Bridgeway Apartments
4. Project Status: Standard

5. Component Type: PH

6. Does this project use one or more properties that have been conveyed through the Title V process? No
3B. Project Description

Instructions:

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This is a required field. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). The narrative is expected to describe the project at full operational capacity. The description should be consistent with and make reference to other parts of this application.

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(s) to identify the project’s population focus.

PH, SH, TH and SSO PROJECTS ONLY

Does the project follow a “Housing First” approach: This is a required field for PH, TH and SSO projects only. Select all applicable checkboxes that indicate whether or not the project currently follows a housing first approach that ensures that participants are not screened out based on barriers such as income, sobriety, etc. Select “none of the above” if the project does not follow a housing first approach.
- Does the project quickly move participants into permanent housing?: This is a required field. Select “Yes” to this question if your project will quickly move program participants into permanent housing without additional steps (e.g., required stay in transitional housing first) before moving to permanent housing. If you are a domestic violence (DV) program you should select “Yes” if you will quickly move program participants into permanent housing after immediate safety needs are addressed (e.g., a person who is still in danger from a violent partner and would move into PH once the dangerous situation has been addressed). Select “No” if the project does not work to move program participants quickly into permanent housing.
- Does the project ensure that participants are not screened out based on the listed reasons? (Check all that apply): This is a required field and at least one option must be selected. Multiple checkbox selections are provided.
- Does the project ensure that participants are not terminated from the program for the listed reasons? (Check all that apply) Multiple checkbox selections are provided.
- Does the project follow a “Housing First” approach? This is auto-scored based upon the responses to the questions above and “Yes” or “No” will indicate if the project is using the Housing First approach to house program participants.

PH PROJECTS ONLY

Does the PH project provide PSH or RRH: This is a required field. Select “PSH” if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select “RRH” if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select “Yes” from the dropdown menu. If not requesting rental assistance in this project application, select “No”.

RENTAL ASSISTANCE PROJECTS ONLY

Is this a CoC Program leasing or SHP project that had been approved by HUD to change the renewal project budget from leasing to rental assistance? (This change must have been listed on
the final HUD-approved FY 2016 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected if HUD approved a change from leasing to rental assistance during the FY 2016 GIW process.

FOR SSO PROJECTS ONLY

Please select the type of SSO Project: Four options are given; Street Outreach; Housing Project or Housing Structure Specific; Coordinated Entry; Standalone Supportive Service. Only Coordinated Entry will have follow up questions.

FOR SSO COORDINATED ENTRY PROJECTS ONLY

Will the coordinated entry process funded in part by this grant cover the COC’s entire geographic area: This is a required field. Yes/No dropdown question.

Will the coordinated entry process funded in part by this grant be easily accessible: This is a required field. Yes/No dropdown question.

Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. This is a required field. Explain the outreach strategy of the CE.

Does the coordinated entry process use a comprehensive, standardized assessment process: This is a required field. Yes/No dropdown question.

Describe the referral process and how the coordinated entry process ensures that participants are directed to appropriate housing and/or services: This is a required field. Explain the referral process.

If the coordinated entry process includes differences in the access, entry, assessment, or referral for certain populations, are those differences limited only to the following four groups: Individuals, Families, DV, and Youth: This is a required field. Yes/No dropdown question.

1. Provide a description that addresses the entire scope of the proposed project.

The Tri-City/FESCO Bridgeway Apartments program is a Housing First permanent supportive housing program with clustered apartments in Fremont, Union City, and Hayward. Four of the eleven units are situated in the 28-unit Bridgeway buildings, 3 units are in Union City, and FESCO oversees an additional 4 units in Hayward. All of the residents supported by this grant have access to an array of supportive services, including case management, life skills training, education, medical services, mental health care, children’s programs, and other services, all of which are focused on long-term housing stability and increased self-sufficiency.

Success of the program is measured according to housing stability and increased self-sufficiency. This past year, 100% of households either maintained stable housing in the program or exited to permanent housing, and 50% of adults maintained or increased their income.

This program was converted from a transitional housing program to a permanent housing program roughly three years ago, in order to align with community priorities, embrace best practices, and reduce lengths of homelessness among residents. As evidenced by the outcomes, this has been a successful transition.
This program relies heavily upon collaboration with other community partners. Participant households receive access to mainstream services and complementary programs at the Fremont Family Resource Centers, Tri-Valley Health Center, Alameda County Behavioral Health Care Services, local community colleges like Ohlone, early childhood providers like Kidango, and others.

2. Does your project have a specific population focus? No

3. Housing First

3a. Does the project quickly move participants into permanent housing Yes

3b. Does the project ensure that participants are not screened out based on the following items? Select all that apply.

Having too little or little income X
Active or history of substance abuse X
Having a criminal record with exceptions for state-mandated restrictions X
History of domestic violence (e.g. lack of a protective order, period of separation from abuser, or law enforcement involvement) X
None of the above

3c. Does the project ensure that participants are not terminated from the program for the following reasons? Select all that apply.

Failure to participate in supportive services X
Failure to make progress on a service plan X
Loss of income or failure to improve income X
Domestic violence X
Any other activity not covered in a lease agreement typically found in the project's geographic area. X
None of the above

3d. Does the project follow a "Housing First" approach? Yes
4. Does the PH project provide PSH or RRH?  PSH

4a. Does the project request costs under the rental assistance budget line item?  No
4A. Supportive Services for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

For all supportive services available to participants, indicate who will provide them, and how often they are provided. This field is required and at least one value must be entered. Complete each row of drop down menus for supportive services that will be available to participants, using the funds requested through the application, and funds from other sources. If more than one Provider is relevant for a single service, please select the provider that corresponds to the highest frequency.

- Provider: select one of the following: “Applicant” to indicate that the applicant will provide the service directly; “Subrecipient” to indicate that a subrecipient will provide the service directly; “Partner” to indicate that an organization that is not a subrecipient of project funds but with whom a formal agreement or MOU has been signed will provide the service directly; or, “Non-Partner” to indicate that a specific organization with whom no formal agreement has been established regularly provides the service to clients. If more than one provider offers the service at the same frequency, choose the provider according to the following: Applicant, then Subrecipient, then Partner, and lastly, non-Partner.

- Frequency: Select the most common interval of time for which the service is accessible to participants. If two frequencies are equally common, choose the interval with the highest frequency.

Applicants may leave dropdown menus as “—select—” when services are not applicable.

Please identify whether the project includes the following activities:

- Transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs? Select “Yes” or “No” from the dropdown menu.
- Use of a single application form for four or more mainstream programs? Select “Yes” or “No” from the dropdown menu.
- At least annual follow-ups with participants to ensure mainstream benefits are received and renewed? Select “Yes” or “No” from the dropdown menu.
- Do project participants have access to SSI/SSDI technical assistance provided by the applicant, a subrecipient, or partner agency? Select “Yes” or “No” from the dropdown menu. If “Yes” is selected the following question will become visible:
- Has the staff person providing the technical assistance completed SOAR training in the past 24 months. Select “Yes” or “No” from the dropdown menu.

Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail screen. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail screen.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

PH-PSH PROJECTS ONLY

How many of the total beds entered in "2b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "2b. Beds" are not dedicated to the chronically homeless? This is a required field, but it is Auto calculated. The number that is calculated is the difference between 3a and 2b.

How many of the total beds entered in "3b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project's grant agreement for FY 2016 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

How many of the beds listed in question "3c." above will be prioritized for use by the chronically homeless? This is a required field. Use the number of turnover beds that are not dedicated to the chronically homeless and that you estimated in field c to estimate and enter the number of those beds that will be prioritized for the chronically homeless as soon as they do turnover.

ALL PROJECTS EXCEPT HMIS

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

**5A. Project Participants - Households**

**Instructions:**

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Persons in Households without Children: Enter the number of persons in households without children for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children: Enter the number of persons in households with only children for each demographic row. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Totals: All fields in the “Total Number...” and “Total Persons” rows will automatically calculate when the “Save” button is clicked.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at least one Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

Additional Resources can be found at the HUD Resource Exchange: https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

6A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant. As a reminder, any project awarded capital cost funds (new construction, acquisition, or rehabilitation) has a 20 year or if initially awarded under the CoC Program (FY 2012 capital costs and beyond) a 15 year use restriction.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation Forms.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if “Yes” is selected:

- Please complete the indirect cost rate schedule below: Must complete at least one row.
- Has this rate been approved by your cognizant agency?: Select “Yes” or “No” from the dropdown menu.
- Do you plan to use the 10% de minimis rate? Select “Yes” or “No” from the dropdown menu.

Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected on Screen “3A Project Detail.” The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2016 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2016 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange:

5. Renewal Grant Term: 1 Year

6. Select the costs for which funding is being requested:
   - Leased Units
   - Leased Structures
   - Supportive Services  X
   - Operations
   - HMIS
6E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2016 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Sources of Match Detail

Instructions:

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Please review 24 CFR Part 578, the FY 2015 CoC Program NOFA for more detailed information concerning Match.

Will this commitment be used towards Match? Yes is automatically selected and this is a field that cannot be edited.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/ screen will populate the Screen “6I. Summary Budget.” The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Resource Exchange:

6I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “7. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2016 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is the total amount of funding the project applicant will request in the FY 2016 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “6H. Sources of Match” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “6H. Sources of Match” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

7A. Attachment(s)

Instructions:

Subrecipient Nonprofit Documentation: Documentation of the subrecipient's nonprofit status must be uploaded, if the applicant and project subrecipient are different entities, and the subrecipient is a nonprofit organization.

Other Attachment(s): Attach any additional information supporting the project funding request. Use a zip file to attach multiple documents.

If indicated on Screens 3A and/or 3B, the following additional attachment screens may be visible that should be used instead of Screen 7A. Attachments:

CoC Rejection Letter: Projects that are applying for CoC funds and that have been rejected for the competition by their CoC (Solo Projects) must submit documentation from the CoC verifying and explaining why the project has been rejected.

Certification of Consistency with Consolidated Plan: Each applicant that is not a State or unit of local government is required to have a certification by the jurisdiction in which the proposed project will be located confirming that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. The certification must be made in accordance with the provisions of the consolidated plan regulations at 24 CFR part 91, subpart F. For projects that selected “No CoC” on Screen 3A, a form HUD-2991 must be obtained and signed by the certifying official for the applicable jurisdiction, indicating that the proposed project will be consistent with the Consolidated Plan. If the Solo Applicant is a State or unit of local government, the jurisdiction must certify that it is following its HUD-approved Consolidated Plan.

Document Description:
A. For all projects:

Fair Housing and Equal Opportunity

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.
It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

Additional for Rental Assistance Projects:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

B. For non-Rental Assistance Projects Only.

20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

C. Explanation.

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall provide an explanation.

Name of Authorized Certifying Official: Linda Gardner

Dear Taxpayer:

This is in response to your request of June 11, 2009, regarding your tax-exempt status.

Our records indicate that a determination letter was issued in November 1989, that recognized you as exempt from Federal income tax, and discloses that you are currently exempt under section 501(c)(03) of the Internal Revenue Code.

Our records also indicate you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

2016 CoC Priority Listing
Before Starting the Project Listings for the CoC Priority Listing

The FY 2016 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2016 CoC Program Competition NOFA.

The FY 2016 CoC Priority Listing includes the following:
- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new permanent housing – permanent supportive housing or rapid rehousing, new HMIS, or new SSO specifically for Coordinated Entry projects.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2016 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- Grant Inventory Worksheet (GIW) – Collaborative Applicants must attach the final HUD-approved GIW.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:
- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY 2016 CoC Ranking Tool located on the FY 2016 CoC Program Competition: Funding Availability page on the HUD Exchange as this will greatly simplify and assist Collaborative Applicants while ranking projects in e-snaps by ensuring no rank numbers or duplicated and that all rank numbers are consecutive (e.g., no missing rank numbers).
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

1A. Continuum of Care (CoC) Identification

Instructions:
The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the HUD Exchange Ask A Question (AAQ) at https://www.hudexchange.info/ask-a-question/.

Collaborative Applicant Name: Alameda County
2. Reallocation

Instructions:
For guidance on completing this form, please reference the FY 2016 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at https://www.hudexchange.info/get-assistance/.

2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2017 into one or more new projects?

Yes
3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2016 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

3. Reallocation - Grant(s) Eliminated Details

Instructions:
For guidance on completing this form, please reference the FY 2016 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at https://www.hudexchange.info/get-assistance/.

* 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2016 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2016 Grant Inventory Worksheet to ensure all information entered on this form is accurate.

   Eliminated Project Name: Berkeley Employment Services
   Grant Number of Eliminated Project: CA113L9T021507
   Eliminated Project Component Type: PH
   Eliminated Project Annual Renewal Amount: $1,038,171

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The CoC Board met on May 17, 2016 to discuss the CoC Program Registration Notice and the strategic questions/opportunities it raised for this year’s submission. The board determined that it should seek community input on various topics including, whether to reallocate the remaining SSO project, and whether to seek proposals for operating the CES. Meetings were held on June 21st and July 7th. An on-line survey was also conducted July 8-11. 80+% support was expressed for reallocating the SSO project and inviting a CES project. The CoC emailed a memo and posted to the website on July 18, 2016 notifying all 2015 grantees and the community at large that this reallocation would occur in this NOFA process.
CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2016 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Instructions:
For guidance on completing this form, please reference the FY 2016 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at https://www.hudexchange.info/get-assistance/.

5-1. Complete each of the fields below for each new project created through reallocation in the FY 2016 CoC Program Competition. For list of all eligible types of new projects that may be created through the reallocation process, see the FY 2016 CoC Program Competition NOFA.

FY 2016 Rank (from Project Listing): 46
Proposed New Project Name: Alameda County CES
Component Type: SSO-CE
Amount Requested for New Project: $1,038,171
6. Reallocation: Balance Summary

Instructions

For guidance on completing this form, please reference the FY 2016 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at https://www.hudexchange.info/get-assistance/.

6-1. Below is a summary of the information entered on the eliminated and reduced reallocation forms. The last field on this form, “Remaining Reallocation Balance” should equal zero. If there is a positive balance remaining, this means the amount of funds being eliminated or reduced are greater than the amount of funds requested for the new reallocated project(s). If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects, which is not permitted.

Continuum of Care (CoC) New Project Listing

Instructions:
Prior to starting the New Project Listing, Collaborative Applicants should carefully review the FY 2016 CoC Priority Listing Detailed Instructions and the CoC Priority Listing Instructional Guide.

To upload all new project applications that have been submitted to this CoC Project Listing, click on the "Update List" button. This process may take a few minutes based upon the number of new projects submitted that need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review a project on the New Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon. The Collaborative Applicant has the sole responsibility for ensuring all amended projects are resubmitted and appear on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Instructions:

Prior to starting the New Project Listing, Collaborative Applicants should carefully review the FY 2016 CoC Priority Listing Detailed Instructions and the CoC Priority Listing Instructional Guide.

To upload the CoC planning project application that has been submitted to this CoC Planning Project Listing, click on the “Update List” button. This process may take a few minutes as the project will need to be located in the e-snaps system. The Collaborative Applicant may update each of the Project Listings simultaneously. The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s).

To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon. The Collaborative Applicant has the sole responsibility for ensuring all amended projects are resubmitted and appear on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Only one CoC Planning project application can be submitted and it must match the Collaborative Applicant information on the CoC Applicant Profile. Any additional CoC Planning project applications must be rejected.

For additional information, carefully review the FY 2016 CoC Priority Listing Detailed Instructions and the CoC Priority Listing Instructional Guide.

This page contains the total budget summaries for each of the project listings for which the Collaborative Applicant approved and ranked or rejected project applications. The Collaborative Applicant must review this page to ensure the totals for each of the categories is accurate. The "Total CoC Request" indicates the total funding request amount the Collaborative Applicant will submit to HUD for funding consideration. As stated previously, only 1 UFA Cost project application (for UFA designated Collaborative Applicants only) and only 1 CoC Planning project application can be submitted and only the Collaborative Applicant designated by the CoC is eligible to request these funds.
