California Legislature Advocacy Updates: Homelessness and Housing

State-level

Proposed Policy/Issue		Detail	Update
Homelessness	AB 2162 (Chiu and Daly) Supportive Housing By Right	Addresses California’s homelessness crisis by allowing non-profit developers to build supportive housing without the prolonged approval process typically required in these projects.	Passed, signed into law!
	SB 918 (Wiener) Homeless Youth	Promotes setting specific, measurable goals aimed at preventing and ending homelessness among youth in the state and defining outcome measures and gathering data related to those goals.	Passed, signed into law!
	AB 2161 (Chiu) Statewide HMIS	Creates a statewide homeless integrated data warehouse with the ultimate goal of matching data on homelessness programs to programs impacting homeless recipients of state programs, as specified.	Did not pass.
	SB 1010 (Beall) –Supportive Housing Pilot Program.	Uses existing CDCR resources to create a pilot program providing supportive housing and mental health treatment to paroles with severe mental illness that are experiencing homelessness.	Did not pass
Affordable Housing Dev.	AB 2035 (Mullin): Affordable Housing Authorities	Strengthens “Affordable Housing Authorities,” a critical tool for local governments to address the housing affordability crisis without raising taxes.	Passed, signed into law!
	AB 2923 (Chiu and Grayson)	Enables the construction of thousands of new affordable homes at and around BART stations, resulting in fewer cars and congestion on our Bay Area region’s roads.	Passed, signed into law!
	AB 2562 (Mullin) Community Development Loans	Creates more affordable housing across California by providing tools to increase financial feasibility in the face of disinvestment from the federal government.	Passed, signed into law!
