YOU WILL HELP

- Prioritize Federal HUD money to end homelessness
- Help Establish Racial Equity in our homeless delivery system
- Create Solutions to End Homelessness
- Lift Up the Voices and Needs of BIPOC individuals and families
- Set Strategic Direction for the Continuum of Care

WHAT IS IT?

The Leadership Board is the decision making body made up of service providers, advocates, individuals with lived experience of homelessness, and city and county officials that sets the vision, strategic direction, and collective goals for the homeless response system and implements the federally mandated Continuum of Care to help end homelessness in Alameda County.

HOW IT WORKS

- The Leadership Board meets monthly
- All sessions will be held remotely
- This is an opportunity to participate in and shape Alameda County's efforts to end homelessness.

WHO IT'S FOR

BIPOC leaders and staff members from BIPOC-led nonprofit organizations that serve Alameda County. We believe that BIPOC voices need to be front and centered in the effort to end homelessness.

WHO IS EVERYONE HOME?

EveryOne Home is a collective impact initiative and we bring together different stakeholders that work on ending and preventing homelessness in Alameda County, and coordinate that work to make sure we're making the biggest impact possible.
