

# Berkeley 2022 Point In Time Count Unsheltered & Sheltered Report

Every 2 years, communities conduct comprehensive counts of people experiencing homelessness in order to measure the prevalence of homelessness in each local community. The 2022 Alameda County EveryOne Counts! Point-in-Time Count was a community-wide effort conducted on February 23, 2022. The Count had not been conducted since 2019 due to COVID 19. Results presented below are for those individuals that were enrolled in sheltered services in Berkeley on the night of 2/22/22, or observed as part of the Count on the morning of 2/23/22.
