Parking Lot of topics for potential future meetings brought up in previous SCC meetings

- How can we increase and improve our work with landlords to help increase the number of housing vouchers being leased up?
- Issues with client level grievance policies at the provider and county level, need for mediation/ombudsman and more clarity and transparency about the available processes/policies?
- Unintended risks and consequences that came up for CBOs with the hotels, what are ways the CoC could help mitigate vulnerabilities when new funding streams come in that need to be dealt with quickly?
