Request for Letters of Interest (LOI)
Continuum of Care Funding for Permanent Housing Projects in the FY 2022 “Regular” NOFO
Due September 13th at 5 pm

Background:
The HUD CoC Notice of Funding Opportunity (NOFO) for the 2022 Continuum of Care (CoC) Program Competition was released on Monday, August 1st, by the US Department of Housing and Urban Development (HUD) and is now open. On behalf of the CoC Leadership Board, EveryOne Home is coordinating the local application process for funding for applicants seeking funding for new projects or to renew funding for existing projects.

As of the local application deadline of August 30, 2022, EveryOne Home has received proposals for new applications that request less than the maximum our CoC is eligible to apply for. To ensure no resources are left on the table, EveryOne Home is issuing this request for Letters of Interest from applicants who are interested in submitting a project for the remaining balance available.

Threshold Requirements
Proposals must meet the following threshold criteria:

1. Must be either a Permanent Supportive Housing (PSH) or Rapid Rehousing (RRH) project.
2. Total funding requested from HUD may not exceed $754,230.
3. Must include leveraged housing resources from a non-CoC or ESGs funding source (e.g., Housing Choice Vouchers from a local Public Housing Authority) in an amount equal to either 25% of the total units in the project or 25% of the participants to be served in the project.
