Committee Purpose

The purpose of the Racial Equity Workgroup is to ensure that racial equity is centered across the homelessness response system and that racially disparate outcomes around homelessness and housing are addressed and eliminated. The committee will advise and hold accountable all other boards, committees, and workgroups, including the Leadership Board on racial equity goals, metrics, and outcomes. The overarching goal is that the work of racial equity is woven throughout all boards, committees, workgroups, and system activities.

Meeting Summary

This meeting will focus on primarily on confirming new REC members, finalizing the REC voting slate, planning for the April Community Meeting and reviewing a draft memo to the Leadership Board. REC members are asked to please review the meeting materials. We will review and address all feedback at the April 11th meeting.
