Committee Purpose

The purpose of the Racial Equity Committee is to ensure that racial equity is centered across the homelessness response system and that racially disparate outcomes around homelessness and housing are addressed and eliminated. The committee will advise and hold accountable all other boards, committees, and workgroups, including the Leadership Board on racial equity goals, metrics, and outcomes. The overarching goal is that the work of racial equity is woven throughout all boards, committees, workgroups, and system activities.

Committee Shared Agreements:

- Have sensitivity and respect for each other's experiences.
 - Agree to show up and engage. When meeting virtually, this includes having the camera on when possible and safe, while recognizing there are many valid reasons not to have cameras on.
 - When making decisions, prioritize the best interests of the homelessness response system and people experiencing homelessness above the interests of the individual board member/organization.
 - Commit to racial equity and justice in decision-making. Participate in training and create space and time for this practice.
 - Function as peers instead of a hierarchy of persons with lived experience and others.
 - Be constructive, not obstructive; try to offer solutions along with barriers.
 - One voice at a time, no interruptions.
 - Give people the chance to speak once before you speak twice.
 - Share and review the materials in the packet in advance of meetings.
 - Prioritize action items near top of agenda to help with time management in meetings.
 - Give people the opportunity to process, ask questions, and understand before voting.
 - If we stray from these agreements, we agree to pause, breathe, and reset.
