#### Committee Purpose

The purpose of the Outreach, Access, and Coordination Committee is to ensure that people experiencing homelessness receive available services tailored to their individual needs, and that the system offers welcoming and effective points of engagement. The committee will coordinate, monitor, and improve the quality and effectiveness of outreach, coordinated entry and other services that connect people to the homelessness response system and mainstream or other community services. Meeting Norms

For all Committee Members:

## OAKLAND, BERKELEY / ALAMEDA COUNTY CoC

1. Each meeting starts with space for introductions: committee purpose, purpose of meeting, who is in the room, and an icebreaker (optional in the chat).
  - a. When you first speak: state your name, preferred pronouns, where you live or work, and your organization, agency, or general affiliation.
2. Committees have agendas and goals based on the committee's work plan. We all agree to stick to the agenda as much as possible.
  - a. Agenda items will be explained in the context of the committee's workplan and/or the CoC's work at large.
  - b. If other items arise, they will be tabled for future agendas.
  - c. The committee can decide as a group whether a non-agendized item should be discussed at a future meeting or whether it's not a topic for that committee to tackle.
3. Explain acronyms the first time they are introduced, and maybe say the whole word within the acronym, and then the acronym as a reminder for the first few meetings.
4. Everyone is encouraged to participate.
  - a. One person speaks at a time.
  - b. No one or two individuals should dominate a discussion.
5. Seek first to understand.
  - a. Listen to and respect other points of view.
  - b. Do your best to understand the pros and cons of every option.
  - c. This is a public discussion, not a debate.
6. If someone needs to be reminded of the ground rules and norms, remind them to assume good intentions and handle each other with grace.
7. Need to work from a trauma centered perspective.
