

Memorandum: Nominees for Committee Vacancies

From: Nominations Committee

To: Leadership Board

June 12, 2025

During the February 20th Leadership Board meeting, the Board approved the re-opening of the Nominations Committee in order to fill Committee vacancies before the May Community Meeting. The Nominations Committee has been soliciting applications and meeting regularly to vote on the open positions. Below are the nominees for remaining Committee seats after the April round of confirmations. Some nominees originally confirmed in the April Leadership Board meeting are no longer able to serve, thus the Nominations Committee re-convened to refill those seats.
