I am member and officer of First Congregational Church of Berkeley, Former Board Member of Berkeley Pilgrimage Foundation, Former Trustee, Pacific School of Religion, Retired Principal of BBI Construction, Partner in Major Chabot Partners, real estate development. I am a former board member of Goodwill Industries, and co founder of The Berkeley Chaplaincy to the Homeless and YEAH! These were homeless youth serving organization started in the mid 1980's. I have served on the CoC NOFO Committee, Nominations Committee, Housing Capacity Committee, Charter Revision Drafting Committee and Transition Committee. I have been Chair or Co Chair of the Leadership Board since 2019. In addition I was on the Measure W steering Committee in 2019-20.

Narrative Questions

What is your current affiliation with the Leadership Board? (i.e. Government, Nonprofit Provider, Lived Experience, etc.) *

Co-Chair of the leadership Board-non governmental

Why are you interested in being the Leadership Board co-chair? *

I will serve two more years to make sure the Co-Chairs have staggered terms and help guide the board through a period of stress and change as the Federal priorities modify NOFO funding

What are key responsibilities of the Continuum of Care? *

Conduct the PIT count, oversee the NOFO process, ensure proper HMIS reporting and guide and coordinate the homeless response system for Alameda County

How do you envision enhancing the work of the Continuum of Care? *

I think my experience with the CoC will be beneficial as the Federal Funding standards change. I also see the board being active in the policy of spending Measure W funds.

What are your ideas for the future direction of the Leadership Board? *

The Board is about to go through a stressful period in conjunction with NOFO funding and this will consume a lot of Board time. We also need to concentrate on local initiatives that do not depend on Federal funding.

Describe your experience and comfort-level facilitating large meetings with a wide-array of partners and representatives. *

I have experience and am comfortable leading large meetings

Is there anything else you would want your fellow Board members to consider when making their decision? *

I think most of the board is familiar with my leadership.
