# Shared Agreements

- Have sensitivity and respect for each other's experiences.
- Agree to show up and engage. When meeting virtually, this includes having the camera on when possible and safe, while recognizing there are many valid reasons not to have cameras on.
- When making decisions, prioritize the best interests of the homelessness response system and people experiencing homelessness above the interests of the individual board member/organization.
- Commit to racial equity and justice in decision-making. Participate in training and create space and time for this practice.
- Function as peers instead of a hierarchy of persons with lived experience and others.
- Be constructive, not obstructive; try to offer solutions along with barriers.
- One voice at a time, no interruptions.
- Give people the chance to speak once before you speak twice.
- Share and review the materials in the packet in advance of meetings.
- Prioritize action items near top of agenda to help with time management in meetings.

- **Homebase staffing for 2026:** As we look to the new year we wanted to give an updated [staffing directory](#)! We've had the request to make this as we know it can be hard to know who to contact for what purpose on the Homebase team.
  - It's located two different places on the website ("CoC Member Resources" [here](#) and "Get Involved" [here](#)) and located in the "Resources and Information" folder of the CoC Google Drive ([linked here](#)).
- **CoC Membership Roster:** Another new resource is this [Google Spreadsheet of all of our committees, voting members, staff, and term dates!](#) If you want contact information of a voting member, please reach out to [alameda@homebaseccc.org](mailto:alameda@homebaseccc.org) to request that.
  - The rosters for each committee are already public on the website, but we have been asked to create this type of one-stop-shop document for our voting members.
  - You can find it in the "Resources and Information" folder of the CoC Google Drive ([linked here](#)).

# Action Items

# Notice of Funding Opportunity Update

Kate Bristol, Jonathan Russell, Riley Wilkerson

*Potential Action: The Leadership Board may take action regarding the status of the FY2025 CoC NOFO Competition and how to proceed.*

# 2026 Planning

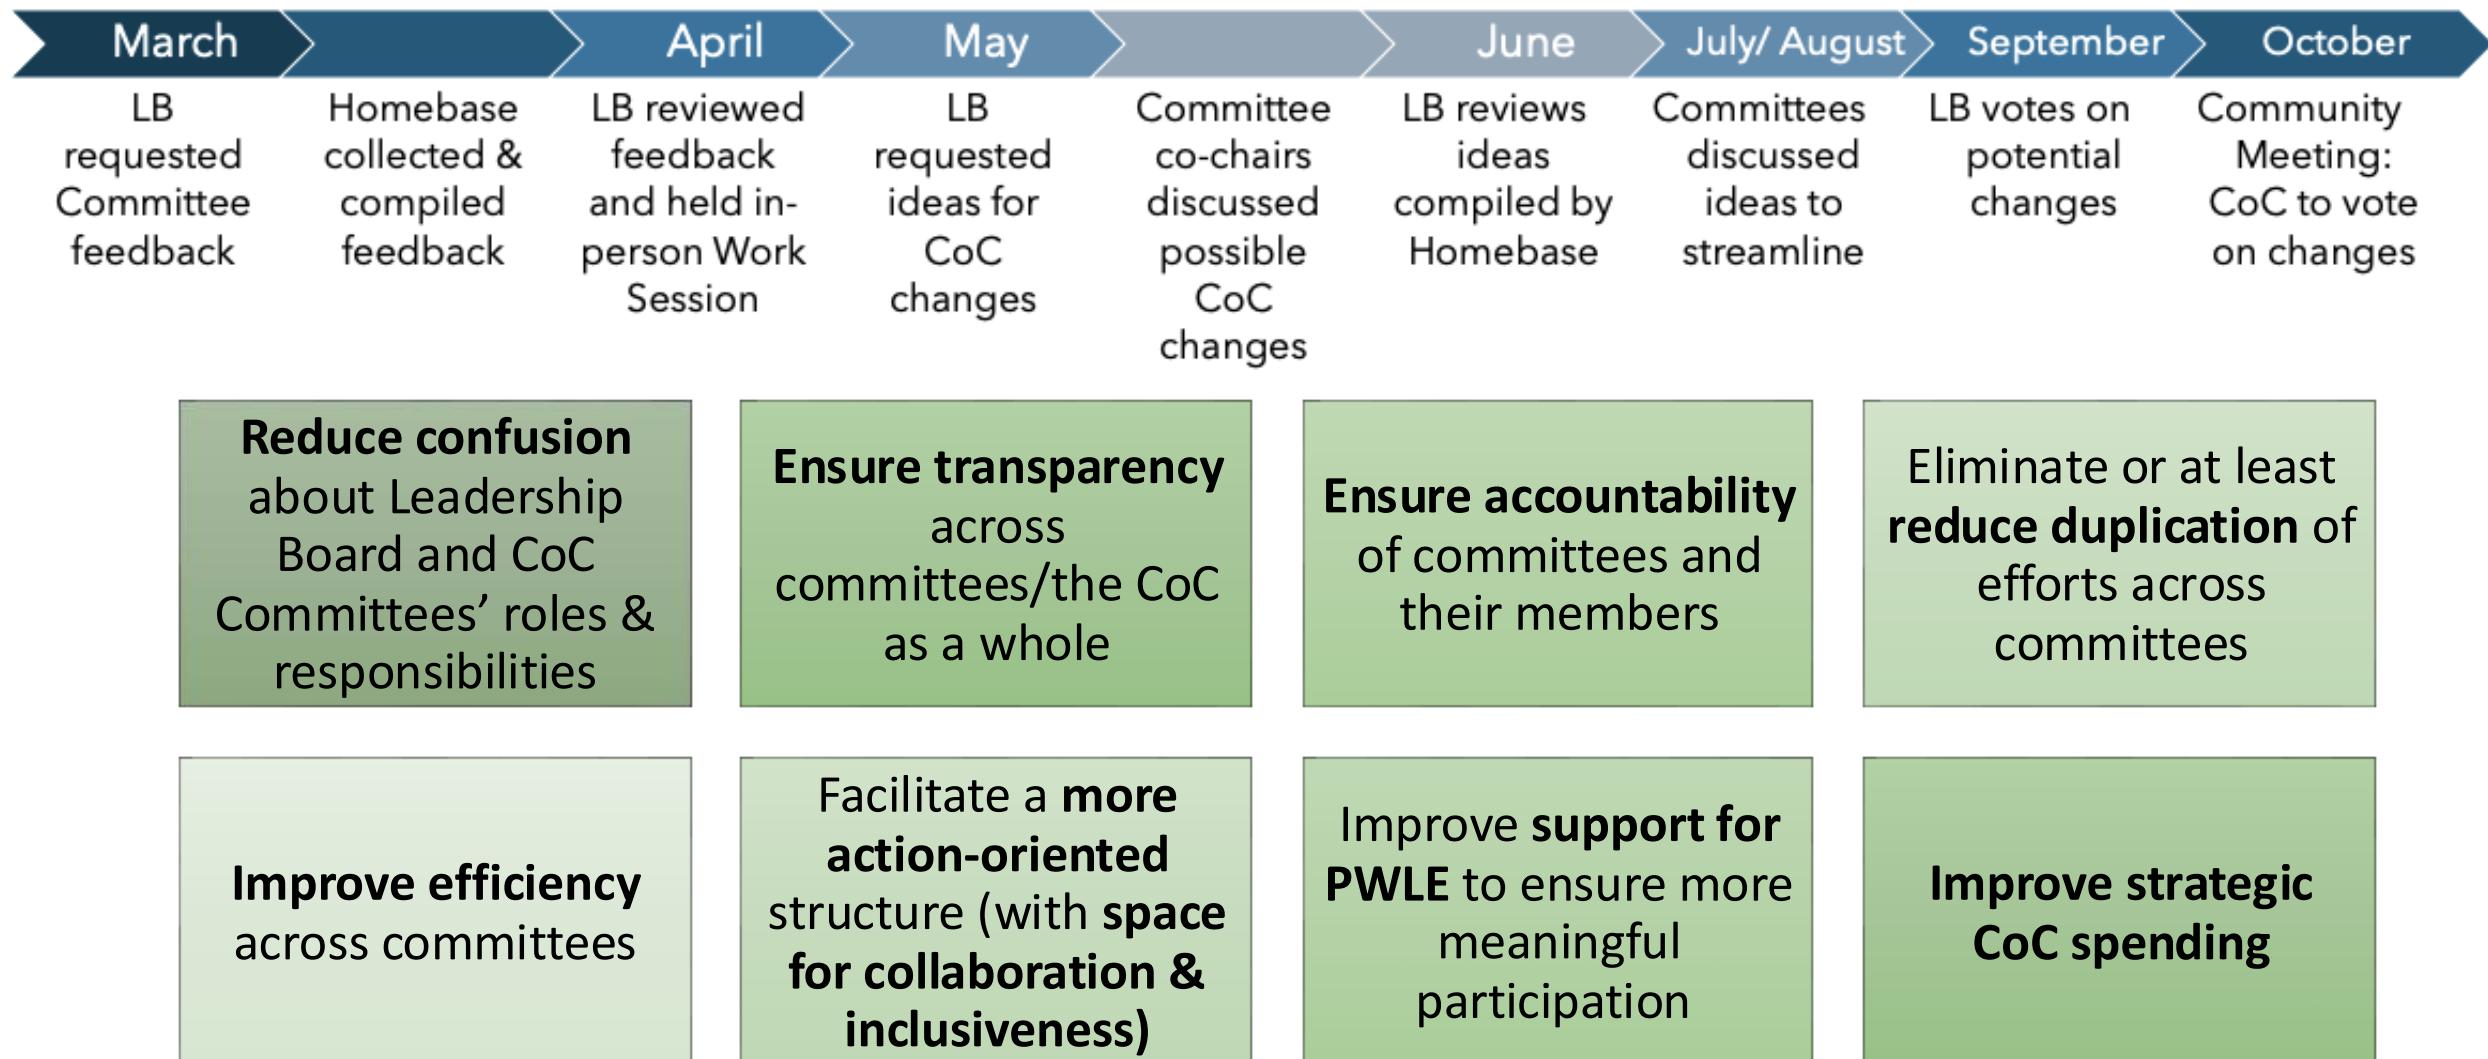

- i. Action: Board restructuring
- ii. Discussion: Leadership Board workplan
- iii. Discussion: Committee workplans

# Board Restructuring Context

- Early in 2025, LB identified a desire to focus more on strategy, including by engaging in strategic funding planning, and to lead more in the areas of public messaging and advocacy
  - LB also needs to perform HUD-required governance functions and other bureaucratic responsibilities, which often impede LB's ability to focus on more strategic priorities
- In June, LB discussed creating a subgroup to handle specific purposes/needs that have come up in prior LB meetings:
  1. To handle the HUD/CoC Interim Rule requirements.
  2. To be able to act with the authority of the Board between meetings if urgent items arise that can't wait for the next Board meeting.

# Process that Led Here: CoC Governance Review – Timeline and Goals

# Discussion at October 2025 LB Meeting

## Key Themes:

- Tension between inclusivity and efficiency
- Clarifying LB's actual authority and perceived influence
- Nimbleness vs. size and complexity
- Maintaining meaningful leadership roles for people with lived experience of homelessness
- Desire to avoid bureaucracy or symbolic authority/actions

## Ideas shared by LB members during that meeting:

- Keep LB structure and membership as is but narrow focus to CoC governance, funding, and regulatory compliance
- Reduce size of LB and focus on subject matter experts empowered to discuss strategy and governance + Increase access elsewhere for people to engage in the CoC (e.g., via more frequent community/CoC-wide meetings)
- Create an Executive Committee (potentially via the Directors Committee referenced in Charter) to be comprised of members of LB (including members with lived experience) to help set agendas, move urgent matters forward when needed, etc.

# Since October Discussion, Multiple Proposals Have Been Shared in Writing by Board Members

*Below are summaries of 3 proposals shared in advance.\* For details about each, see materials included with Board packet. Although a motion can be made to approve one of these, the Board is not limited to deciding among these ideas.*

## **From City of Berkeley (initially shared in advance of December Board meeting)**

- Revise the role and scope of LB and CoC Committees to make them leaner, more nimble, and focused exclusively on matters within CoC purview and oversight function: Federal & CoC funding + regulatory compliance
- Clarify and affirm that the Alameda County CoC Collaborative Applicant serves as the lead administrative entity for the CoC's HUD / CoC Program funding application and related system-planning functions
- Homebase + ad hoc committee (reps from County, a City, a nonprofit agency, and PWLE) to draft Charter revisions and return to the LB for vote on recommended revisions at the January 2026 LB meeting

## **From Moe Wright (initially shared in advance of December Board meeting)**

- Create a Directors Committee to deal with housekeeping aspects of LB work and present solutions to LB on a consent motion
- Empower the Standards, Compliance and Funding (SCF) Committee to make all decisions about CoC regulation
- Have LB focus on the two main drivers that will end homelessness in our county: (1) public awareness and opinion and (2) securing the funds to support the homelessness response system

## **From Laurie Flores and Moe Wright (Shared in advance of the January meeting):**

- Create a small Working Group committed to expedited response
- Working Group will review recent surveys, purpose, vision, and scope of CoC as well as other Leadership Board structures, and return to Leadership Board in February with recommendations on Board priorities, and restructure options – Board will vote on what to keep, change. Working Group will return in March with propose changes to Board structure for more agile and effective engagement.
- The Board will review and refine proposed changes and turn them back to the Working Group and Homebase staff to create changes to the language of the Governance Charter and Policy and Procedures Manual for ratification by the Board and CoC Membership.

## Discussion

- Thoughts on any of the proposals?
- Additional proposals for the LB to consider and discuss today?

### For taking action... **[POLL]**

- Option 1: Do we feel ready to vote on a proposal for a Leadership Structure or Scope change?
  - Note: If yes, the Board should discuss applying the ESC Framework (see following slides)
- Option 2: Do we want to vote on a working group and/or process to develop specific recommended changes regarding the Leadership Board structure and/or scope? *(Moe and Laurie's proposal)*

# Applying ESC Framework

***If the Board plans to take action today to change the Board's Structure or Scope  
(Option 1)***

Core Guiding Questions for actionable practice  
and decision-making:

- What is proposed?
- What's the desired outcome from what is proposed?
- Who decides?
- How do they decide?
- Who benefits?
- Who is harmed?
- What action is needed for the well-being of the community and most housing impacted individuals and households?

## ESC Framework Core Guiding Questions that have been discussed organically at prior Leadership Board meetings re: potential LB structure changes

- **What is proposed?**
  - Various proposals up for discussion
  - Common themes: reduce size and/or scope of Leadership Board; create an Executive or Directors Committee within the Leadership Board to support administrative functions and allow urgent action between meetings when needed.
- **What's the desired outcome from what is proposed?**
  - Increased efficiency/ability to act quickly; reduced bureaucracy
  - Clarity around LB's authority and influence
  - Reduced frustration among Leadership Board (and Committee) members
- **Who decides?** Leadership Board
- **How do they decide?** Via majority vote of at least a quorum
- **Who benefits?**
  - Remaining Leadership Board members
  - Committee members
- **Who is harmed?**
  - Potentially, some people who might be removed from the Leadership Board if the size is reduced
- **What action is needed for the well-being of the community and most housing impacted individuals and households?**
  - Ensuring that any updated structure maintains meaningful leadership roles for people with lived experience of homelessness

Action: Vote on a process to move forward with restructuring and setting priorities for the Leadership Board.

*Action:* Motion to adopt the proposed process put forward by the Leadership Board co-chairs and appoint the following people 5-7 people to be part of the ad-hoc working group: \_\_\_\_\_

# 2026 Planning

- i. Action: Board restructuring
- ii. **Leadership Board workplan**
- iii. Committee workplans

# Workplan Development

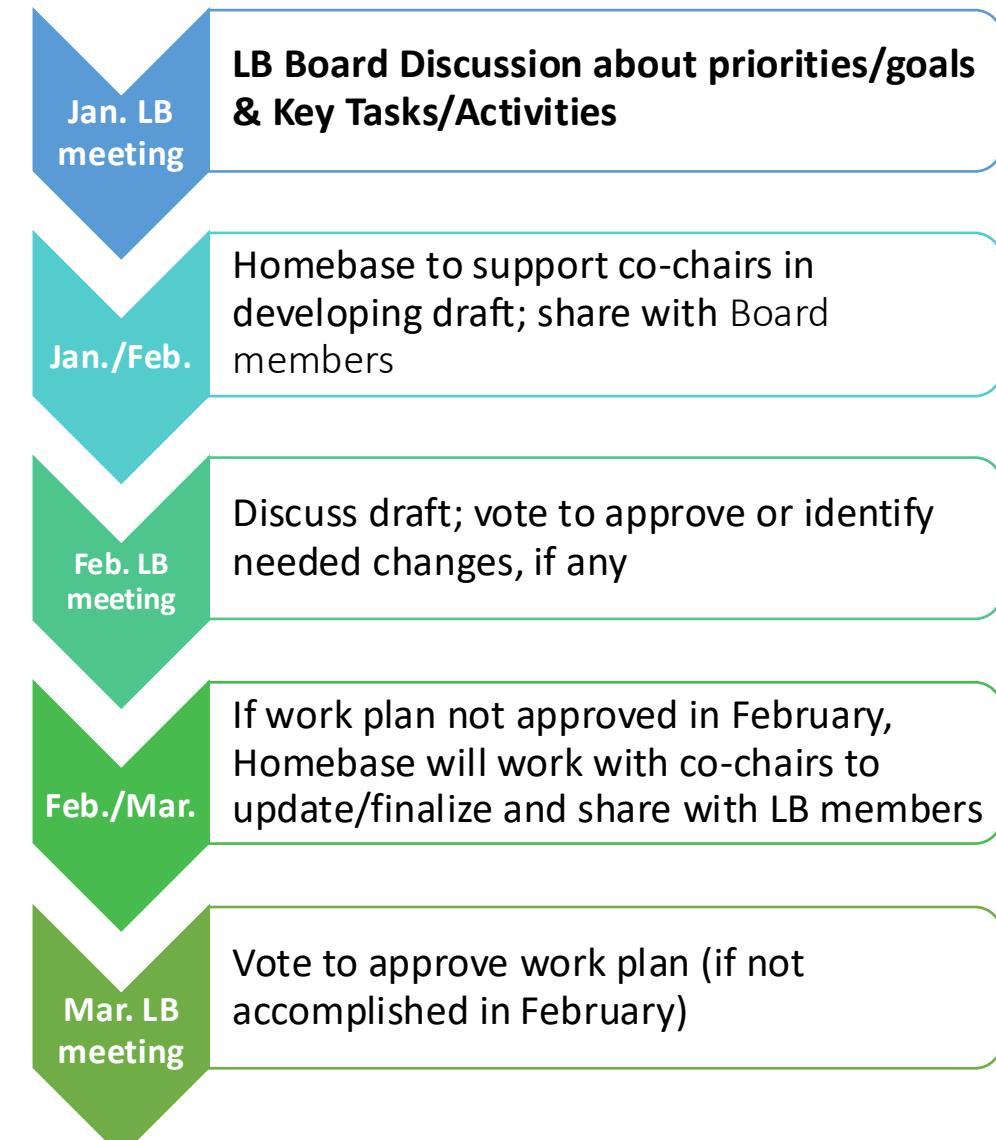

**Neither HUD nor the CoC's Governance Policies & Procedures (P&Ps) require the Leadership Board to have a work plan, but it can help with setting and sticking with priorities and goals and ensuring required responsibilities are met.**

- *Per the P&Ps, Standing Committees are expected to have annual work plans that are consistent with the Leadership Board's direction*
- *Committee co-chairs work with the Backbone Entity (Homebase) to develop the work plans and ensure they're carried out.*

## Common Workplan Components

- Strategic priorities for the year
- Specific tasks/activities/projects with:
  - Milestones/goals
  - Timelines
  - Responsible parties

## Potential Timeline

# Discussion about Priorities & Key Activities

- What else is most important for us in 2026?
  - Improving inclusion and engagement of PWLE (including addressing past harms and concerns raised in various Committees/spaces)
  - Leadership Board Restructure
  - Anything else?
- What are our timelines?

## Annual HUD/Charter requirements:

# Feeback for Committees

- What feedback do we have for committees that have ideas already?
- What input do we have for each committee on what we want them to accomplish this year? (in addition to what's outlined in the Charter and P&Ps as their responsibilities)
- What requests do we have for them?
  - When do we want to see their workplans for input/approval?
  - Is there anything else we need to know from them?
  - Is there anything else we want them to do?

# Closing

- Next Leadership Board Meeting to be held Thursday, February 19, 2026.
