Committee Purpose

The purpose of the System Impact Committee is to monitor progress against the community's [strategic plan \(Home Together\)](#), including regular review of system-level and provider performance to support more rapid identification of emerging trends and needed changes to policy and programming. The committee will also be responsible for monitoring actual system performance against assumptions used in the Home Together system modeling to support updates to the plan as needed.

You can learn more about the Committee's Purpose [here](#).

Meeting Purpose / Overview

The purpose of this meeting is to support the System Impact Committee's role in monitoring system performance and advancing Home Together goals by: reviewing and approving prior meeting minutes; receiving public input and key announcements; learning from Harvard Government Performance Labs about KPI development and dashboard design; and discussing general agreements and Leadership Board composition to strengthen alignment and governance.
