Committee Purpose

The primary purpose of the Evidence-Based Solutions Committee is to ensure that the Continuum of Care (CoC) centers and integrates evidence-based data and practices to effectively identify, prioritize and provide solutions to serve the people and populations who are most vulnerable to and disproportionately impacted by homelessness across Alameda County.

The Evidence-Based Solutions Committee plays a key role within the CoC's collective impact model. It fosters collaboration and ensures accountability for all CoC committees and workgroups, including the Leadership Board. The Committee provides oversight to implement and integrate measures, goals, metrics, outcomes, policies, and practices aimed at addressing the systemic and structural root causes of housing disparities. This work focuses on reducing disproportionalities in homelessness response systems that affect the communities most at risk.

Committee Shared Agreements:

OAKLAND, BERKELEY / ALAMEDA COUNTY CoC

- Have sensitivity and respect for each other's experiences.
- Agree to show up and engage. When meeting virtually, this includes having the camera on when possible and safe, while recognizing there are many valid reasons not to have cameras on.
- When making decisions, prioritize the best interests of the homelessness response system and people experiencing homelessness above the interests of the individual board member/organization.
- Commit to racial equity and justice in decision-making. Participate in training and create space and time for this practice.
- Function as peers instead of a hierarchy of persons with lived experience and others.
- Be constructive, not obstructive; try to offer solutions along with barriers.
- One voice at a time, no interruptions.
- Give people the chance to speak once before you speak twice.
- Share and review the materials in the packet in advance of meetings.
- Prioritize action items near top of agenda to help with time management in meetings.
- Give people the opportunity to process, ask questions, and understand before voting.
- If we stray from these agreements, we agree to pause, breathe, and reset.
